

Our readers are aware that, for some time past, Robert Shives, Esq., a friend of orphans, have been trying on an interesting correspondence, mainly, it is understood, an official character. Mr. Shives had arranged that about forty orphans, who arrived by the "Prussian," could come here, and was prepared to receive and locate them. Miss Rye was to accompany them. Mr. Shives has, however, just received the following despatch:

QUEBEC, July 25, '70.
Robert Shives, Esq., Montreal: Miss Rye is not here. She is in the children to Quebec; she takes all to Miss Rye. L. STAPTON, Emigration Agent.

Explanations will be expected for this extraordinary change of arrangement. Mr. Shives is evidently the victim of misplaced confidence, and though he is not likely to bring any "for breach of promise" suit, Miss Rye, all must feel that it has not been well treated by that philanthropist though she be a Telegraph.

HAIR VIGOR.—In common with any others we have felt a lively interest in the investigations which Ayer has been making to discover the causes of failure of the hair, and to provide a remedy. His researches are said to have been much more thorough and exhaustive than ever made before. The result is we have in the name of Dr. J. C. Ayer. We have given a trial, and with full satisfaction, equals our most favorable anticipation. Our gray hairs have disappeared, or resumed their original color; and a visible crop of soft, silken hair has started on a part of the top which was entirely bald. —*Wm. C. Wray, Montreal, Abington, Va.*

Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a fatty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling out, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It is wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white fabric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS. PRICE \$1.00.
H. L. SPENCER, Saint John, N. B. GENERAL AGENT FOR MARITIME PROVINCES.
