Ir. Robinson's Opportunities.

And How He Improved them.

We wonder if Mr. Robinson's over stributes the patronage. In short the interests of his constituency have zealous critics ever took into consider- eaverage opposition member is a mer carried weight with the ministers as Writer Advances Some Very Good ation the fact that he is in reality an figure head. But we think we can instanced in the Canada Eastern deal untried man although he has served state without fear of contradiction and the Chatham-Tracadi- Teletwo terms in parliament. It is surely that Mr. Robinson has been an except phone line project. Nevertheless Mr. a well known fact that the average tion to the rule, Although occupy- Robinson is in reality an untried man man who bedecks an opposition bench ing a seat on the opposition side of and when the Conservative party of in the Canadian House of Commons the House, he has by his moderation Canada is returned to power-and it can accomplish little or nothing for and courtesy won the favor of the is likely to be on November 3rd-we his constituency. The man who is various members of Sir Wilfrid look forward to Mr. Robinson as If The People Arc to Pay For a virtually the representative of his Laurier's government and as a result complishing wonders for the County) County is the man at home who dis this opinions on matters affecting the of Northamberland.

HE'S BETTER THAN A SPEAKER.

Commons are confined to ten or twelve. United States Senate is not an orator, a lawmaker stime.

About the "heaviest" argument men on each side of the House and Murray Cran "ho was appointed a tiss county show I rally ar and the standthat Mr. Robinson's friends can we regret to add that in our opinion few days ago to succeed the late archof Mr. dames the majority of these are blatant Senator Hor flads it difficult to make the majority of these are blatant Senator Hor flads it difficult to make the majority of these are blatant Senator Hor flads it difficult to make the majority of these are blatant Senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority of these are blatant senator Hor flads it difficult to make the majority as our representation. employ against him is that he is not demagagues. We would be long a short address yet he is generally tive. I will merely give what it seems to demagagues. a speaker. The fallacy of this argue corry to lend our support to a candi-recognised by the people of Massed us. The policy of the conservative party is to Dear Sir ment need scarcely be pointed out for date who could be nothing more nor setts as one of the ablest governors build the new the oratorical efforts in the Heuse, of present leader of the majority in the work that ograpies so large a part of Trank the

If You Vote for W. S. Loggie You Knife John Morrissy.

It goes without saying that the will be other elections in the County toin bid fair to be realized. By sup

supporters of Mr. John Morrissy are of Northumberland. The strength of porting Mr. Loggie they will probably anxious for him to serve the interests of Mr. Morrissy's following will again show that the preponderance of markets to the extent of \$150,000,000 every of the County of Northumberland in be required. Will it show an increase strength is in his (Loggie's) favor: by year. They shut us at of their markets by promote the interests of a fund-holding class the House of Commons. That he over that of a few days ago? This is opposing Mr. Loggie they will unwill be unable to do so at the opening a question which his ardent workers doubtedly prove that Mr. John of the next parliament is a foregone can ansewer. If they demonstrate to Morris-y was entitled to the unconclusion. The hopes of his followers the people of the County of Northam- animious nomination of his partyas far as they concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and interests who elected you nearly two years ago to concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and interests who elected you nearly two years ago to concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and interests who elected you nearly two years ago to concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and interests who elected you nearly two years ago to concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and interests who elected you nearly two years ago to concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and the concern the immediate berland at this election that Morrissy that the only salvation for the Liberal All Canadian and the concern that the only salvation for the Liberal All Canadian and the concern that the only salvation for the Liberal All Canadian and the concern that the only salvation for the Liberal All Canadian and the concern that the concern t future were hopelessly shattered on is the strong man of the Liberal party party in the County of Northumber-Nomination Day, But Mr Morrissy their hopes of obtaining the unanimous land lies in the selection of John is a young and energetic man. There nomination for him at the next elec- Morrissy as the unanimous candidate.
