THE LAND COMMISSION.

MONTREAL, Sept. 17.

The Court met at Charlottetown, according to adjournment.

COUN. GRAY.—To the Counsel for the Proprietors.—We will be glad, if any proprietors are present here, to have an audience, which may have a place. We will listen to any statement you may forth with make, and we shall be happy to afford the proprietors an opportunity of answering them, or of giving any explanations they may think proper. We leave it to themselves to decide whether it is desirable to do so or not; we will not, however, be able to say that an opportunity was not given to them.

COUN. HAMILTON.—I have had the pleasure of receiving a copy of your letter, and I am sorry to learn that you have been compelled to give up the office of Sheriff.

COUN. GRAY.—It is the original title to the Lots to which we refer; it is desirable that abstracts of these should be given for the purpose of quieting the public mind.

COUN. HAMILTON.—I am proposed on the part of the proprietors to withdraw my application.

COUN. GRAY.—With respect to the interests of the treasury, I think it unnecessary to go beyond the requirements of the Act of the local Legislature with respect to this Commission, by presenting titles, as I think it will not be attended with a good result.

COUN. HAMILTON.—I think you are not altogether warranted in your opinion that the adoption of this course will be attended with a good result.

COUN. GRAY.—As this request comes at a late hour, I may state as one of the Counsel for the proprietors that I must first consult them. I was under the impression that your Excellencies would not go into the subject of titles.

COUN. HAMILTON.—I think you are not altogether warranted in your opinion that the adoption of this course will be attended with a good result.

COUN. GRAY.—As it is at present a doubt may be thrown upon every man's title.

COUN. HAMILTON.—It is the original title to the Lots to which we refer; it is desirable that abstracts of these should be given for the purpose of quieting the public mind.

COUN. GRAY.—As far as we know the general opinion of the proprietors, they desire that every opportunity be afforded to facilitate the inquiries of the Commissioners.

COUN. HAMILTON.—Another thing we desire, is a valuation of the different Lots, either given in Court, or in memorandum.

COUN. GRAY.—We have been alking at this all along.

COUN. HAMILTON.—In cases where abstracts of titles are produced, will the Commissioners give an opinion on them?

COUN. GRAY.—There may be many facts connected with these abstracts, such as half-ships, &c., etc., into which we need not inquire.

MR. W. H. PINE.—I cannot see what benefit will result to the public under some opinion is expressed upon them.

If you state your views respecting them, it may be satisfactory that you go into the treasury. Many a proprietor would be willing to give up his title, provided he could get an expression of your opinion.

COUN. HAMILTON.—What you have stated are gross falsehoods. A full explanation would give you satisfaction entire satisfaction.

MR. S.—I cannot tell without referring to my books.

COUN. HAMILTON.—How much?

MR. S.—I do not know. I am going to proceed in the usual way, but he preferred going out without any trouble.
