HEART DISEASE.

A TROUBLE NO LONGER RE-
GARDED AS INEVITABLE

An Orangeville Lady Who Had
Suffered Severely Speaks of Her
Illness and Tells How She Found
Cure.

From the St. John, Orangeville, Ont.

A remarkable case recently came un-
der the notice of our reporter, and for
the benefit of our readers, we are going to
tell them about it.

In the southward of this town lives Mrs.
John Hubbard, a lady much esteemed by
those who know her. Mrs. Hubbard
had been a great sufferer from heart
trouble, and ultimately became so bad
that it would not have surprised her
friends to have heard of her death. But
a change has come and she is once more
rejoicing in good health. When our re-
porter called upon Mrs. Hubbard and
made his mission known she said she
would be delighted to tell him of her
"miraculous cure" as she styled it.

Course no one thought I could get bet-
ter. I thought myself I could not last
long, for at times it seemed as if my
heart was going to burst. Oh, the dread-
ful sensations, the awful pains and weak-
ness, together with a peculiar feeling of
distress, all warned me that my life was
in danger. I consulted a doctor but he
could do absolutely nothing for me. My
friends saw me gradually sinking, and
many an hour's anxiety I caused them.

My strength waned, my nerves were shat-
tered; I could not walk, for every step
caused my heart to palpitate violently.
It is utterly impossible to fully describe
my condition. One day a friend brought
me a box of Dr. Williams' Pink Pills, and
told me to use them, but I said there was
no use—they could do no good. To this
my benefactor replied, that if they did
not they at least could do no harm, so I
please her I took the box of pills. Then
I procured another box and began to feel
that they were doing me good. I took in
all eight boxes and now I feel strong and
hearty, each day doing my household
work without fatigue or weariness. For any-
one who suffers from weakness of the
heart, I believe there is no remedy so
sure or that will bring such speedy re-
sults as Dr. Williams' Pink Pills. Had
I only used these wonderful pills at first
I would have been spared months of in-
tense suffering." Mrs. Hubbard but re-
echoes the experience of scores of suffer-
ers, and what she says should bring hope
to many who imagine their is no relief
for them in this world. Dr. Williams'
Pink Pills have saved more lives than we
will ever know of.

Shot to Death.

HAVERLOCK, Kings Co., April 19.—A
sad gunning accident, which terminated
fatally, occurred at Hick's Settlement,
this morning. A well known young man
of exemplary habits, was out ducking,
and in hurrying after the ducks stumbled,
and fell. The shock caused the gun to
explode, and the contents entered the
side, and lodged near the heart.

The family were away at the time of
the accident, and before they returned
home the young man died, being alone at
the time. He was a son of the late Cyrus

Hicks, and was much respected by all
who knew him. He leaves a mother and
a large circle of relatives to mourn his sad
and untimely end.

Too Much for Their Curiosity.

The minister of a country church was
greatly annoyed on Sunday by the wo-
men turning round every time any one
came in, and so interrupting the sermon.

At last he hit upon a plan for stopping it.
The next time he preached he gave out
this notice: "So that no one need turn
round, I will call out the name of the
person or persons entering this church
during my sermon." And then he be-
gan: "Dearly beloved brethren—Farmer
Jacobs and his wife—the text for today
will be—Miss Jones—seventh chapter,
second verse of—Mrs. Brown and baby—
John, where it says—Mr. and Mrs.
Smith, with a new bonnet on." Here he
discovered his mistake, but it was too
late—all the women had turned round.

Brooch
Bargains

Don't you need another Brooch?
We have 24 that we will sell at

\$1.00 Each.

We paid more than that for them
and thought the patterns
very neat and pretty. We made
a mistake in buying too many
and patterns are changing. The
quality is good—regular retail
prices were from \$1.50 to \$3.00.

We thought them pretty enough
to wear ourselves. You'll think
them at least pretty enough to
wear about the house. Order by
mail and if you are not satisfied
we will return the money.
