JACKSON ADAMS. FREDERICTON, N. B. October 28, 1879 .- 1y.

IS A FACT ATTESTED BY THE HICHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of scott's Emulsion of Cod Liver Oil with Hypophosphites of Lim and soda will accomplish this result. This preparation has all the virtues of these two most valuable specifies, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous. IT WILL BE FOR SALE

See What Phyicians and the People Say About It. Messrs. Scott & Bowne 66 West Thirty-sixth Street; NEW YORK, September 2, 1876. GENTS,—I have frequently prescribed Scott's EMULSION OF COD LIVER OIL with Hypothosphittes duri the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable a

Messes. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypothosphites and ound it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate tomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.

Oct. 12, 1879.

A. H. SAXTON, M. D., Ealtimore. STEAMBOATS, on the TR 4INS, on the streets Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil, with Hypothosphites, and I candidly declare that it is the finest preparation of the kin that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.

December 10th, 1878.

Yours truly, J. SIMONAUD, M. D., New Orleans, La.

Messers. Scott & Bowne :—Gentlemen,—In September, 1877, my health degan to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to raise blood and rap dly grew worse. In May last I was taken with a violent bleeding which brought me to my beed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicina since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "Scort" Emulsion or Con Liver Oil., etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago; but he is improving flow wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

January 20th, 1879.

Mesons Scort & Revune.

Messrs. Scott & Bowne — Lynn, Randolph Co., Ind., July 2, 1878.

About the 25th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no on who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small dose; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commence mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised othe parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully yours,

R. W. HAMILTON, M. D.
