#### A BAND NIGHT COMPLAINT

A number of complaints have been heard regarding the noise made by automobiles last Wednesday evening, while the Band Concert in the 'square was being rendered. The citizens felt that the least automobile drviers might do, is to remain quietly parked around the square especially when the band is in the act of playing. People who congregate about the band stand on band night, gather there for the purpose of hearing the music, not to near automobile horns blowing, or motors buzzing,-they get enough of that every day in the week. In future, it is hoped that on band nights, drivers of automobiles will park their cars and remain quiet during the program, unless it is imperative that they move. If this is done, band concerts will be enjoyed more by everybody.

NORTHUMBERLAND POLITICS All kinds of political rumors for County of Northumberland are the now "on the tapis". Some say that a by-election will be held in October and many predictions are heard of

amounts to something and which it practised by many other . citizens would make Newcastle and vicinity, not only one of the best, but the best community in the province in which to live, has been shown by Mr, Allen McLellan manager of North Shore Motors of Chatham and Newcastle. Mr. McLellan has very kindly donated a prize worth \$15.00 to the young lady who sells the largest number of tickets for the Firemen's Dance to be held in the

Town Hall tomorrow night. This is the proper spirit and it now rests with the citizens to show their co operation by purchasing tickets from the young lady whom they would like to see win this magnificent prize which is on exhibi-) on in Mess's C.M. Dickison & Sons drug store window. There

is only tomorrow left to purchase tickets so get busy in the interests of your favorite ticket seller.
