THE EASTERN TRUST COMPANY.

The business of the The Eastern Trust Company is to administer Trusts. In this work it specializes, and it does no other. But no kind of trust is foreign to its scope or beyond its power to administer efficiently.

The Eastern Trust Company never speculates. It invests. It depends for its prosperity upon the efficiency of its management of its clients' business and upon the security of its investments.

The Eastern Trust Company executes the office of executor or administrator with unexampled efficiency, and its usefulness in this field is becoming rapidly more availed of.

For instance—In St. John, New Brunswick, where it has quite lately established a branch, the estate of James Ready, of Fairville, which has been sworn to under \$651,300.00, is being administered by The Eastern Trust Company as one of the joint executors of Mr. Ready's will.

In Halifax, Nova Scotia, again, The Eastern Trust Company has just been chosen to administer the estate of Captain William Fleming, which is valued at more than half a million dollars.

The Company now administers many estates which in value amount to several millions of dollars. Particulars will appear in later advertisements.

The Eastern Trust Company can execute this function of executor or administrator as efficiently in Newfoundland as it can in Nova Scotia, Quebec, or New Brunswick.

The Eastern Trust Company requires commodious offices on Water Street. Apply to
