Ladies' Coats,

FOR FALL AND WINTER NOW SHOWING AT

BLAIR'S

Our Values are Absolutely the Best Obtainable.

This year's style in Coats is distinctive. The Coat with the flare (or wide) skirt is the mode. Coats this year are either without belts or come with a half belt effect. This is quite different from last season's Military Coat, which had a belt all round and was much tighter in the skirt.

Despite increasing cost of Coats, through rising prices of materials, and the fashions demanding more cloth in each, we are enabled to offer you the NEWEST GOODS at the LOWEST PRICES. This we are enabled to do by our early contracts and also by our moderate margin of profit, which has built us up such a successful coat business, as it is well known our values are the best. Our prices are:—

\$4.90, 5.90, 6.90, 7.90, 9.50 and upwards.

We are also busy opening a full selection of

Misses', Children's and Infants' COATS,
which you can depend will be the best values procurable.

"Good Clothes."

We all like to wear what we call "Good Clothes." Now good clothes are costly—no dear—but they become dear if they have to be discarded practically unworn. The French Dry Cleaning Process meets the difficulty. We can afford to buy the best and most beautiful fabrics without being extravagant, because of their quality we can rely on being able to have them restored to their pristine beauty quite often enough to enable them to be eventually discarded without a lament.

PILK HOOK.

The best Jigger ever invented. Ask for O. MUS-TAD'S and see if you don't get the fish every time. Use a swivel at each end of the sed line, this makes the jigger act as a spinner.
