### Will You Cripple Your Ford

OR RENEW ITS LEASE OF LIFE!

When the Ford Car leaves the plant at Ford, Canada, it represents standardized production reduced to a science. There is no lost motion anywhere in its construction, and each part is of the material and temper best calculated to fulfill the function it has to perform. The result is not only a car at a phenomenally low price, but a car so sound in all its component parts that it will serve you satisfactorily for many years.

Parts here and there will require to be replaced in time, and it rests with you at this stage whether you cripple your Ford or renew its lease of life.

The use of spurious parts will accomplish the former. Genuine Ford Parts will assure the latter.

Spurious parts allow a greater profit to the seller and will be palmed off on you whenever opportunity offers. Take no chances. Demand Genuine Ford Parts and extend the life and usefulness of your car.
