**NOT JUST**  
Coch Coal,  
lease,  
BURNSIDE" Coal.

something new,  
something better,  
something  
just as good."

### The Will

There comes a time in the life of every man when he must leave his worldly possessions to the care of another. In anticipation of this, therefore, the first obligation resting on an individual who is possessed of property is the making of a will, and this should be done before the capacities become impaired by time or the ravages of disease.
