hilosopher and the Fly

her sat in an armchair,

which is of course not an thing for a Philosopher. He d, a very thoughtful thing to do helps me very much in opening now, he yawned (still the same and adjusted his pince-nez, so t blanced on the very Avalon mis of his nasal appendage. You careful I am to mention his Well it was from the very Well it was from the very m a Philosopher. They all twhion as a child can point out teman by his spats. To con-then the yawn had reached its tabruptly ended, with an endash, this was the result of erful jaws armed with spural attachments meeting each any given point, with nothhe way to check them meeting reason for the clash was the an adventurous fiy, emulatertain gentleman, who, sailvard from Spain almost the American continent, some centuries ago, had taken adof the open mouth, stepped to have a good look round.
and with every chance of an
th, he felt quite happy, and
his little hohnailed boots on his little hobnailed boots on his little hobnailed boots on a fent's tongue, thereby at his attention, and as you already read, cutting off his mans of agrees. Having closed outh firmly, the Philosopher set to think what his next step

be, it was a case of whether should be praised for his au-

and let scot free. or being

have whilst you sit in judgeover him, and the Philosopher hiding it a rather awkward busi-litating his prisoner thus, for the rogue was seemingly havdap-up" time in his warm getting switch-back rides drawn, and waltzing gracefully me, and waitzing mouth of the old fellow's mouth old man ruminated thus, "When ambled into my mouth, he nite unasked, but as I had no saying, he was not to do so he to know. If I had swung from my nose reading 'Abanope all ye who enter hare, I lave a reason for chastising thilst now I have no moral harm him. If I slay this fly, e commiting murder, for when to think of it, a fly is more than any man. Sure, he from a height a million times eat his own weight with ease.
Thus, and can do these things? Thus vere to grow to the size of a man, it would carry all bo-Therefore he opened his dout flew the fly, unharmed perience. But the Philosopthat this insect will bring less similar pests. Why
