

BREAKFAST—EPPS'S COCOA—GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine princi- ples of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labeled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

Veterinary Surgeons, all over the country are recommending *Sheridan's Cavalry Condition Powders* for the following trouble in horses:—Loss of appetite, roughness of the hair, stoppage of bowels or water, thick water, coughs and colds, swelling of the glands, worms, horse all, thick wind, and heaves.

A friend of ours who is chief clerk in the Governmental Dispensary, says that no medicine chest is now complete without *Johnson's Anodyne Liniment*. We always supposed it was prescribed by law; if it is not, ought to be, for certainly there is nothing in the whole materia medica of so much importance to the soldier and the sailor as *Johnson's Anodyne Liniment*.

Celebrated Perfected Spectacles

Appointed Mr. D. Savage

As their sole agent for this place. They have taken care to give all useful instructions, and have confidence in the ability of their Agent to satisfy the requirements of all customers. An opportunity will be thus afforded to procure at all times.

Spectacles unequalled by any for their Strengthening and Preserving Qualities.

Too much cannot be said as to their superiority over the ordinary glasses worn—there is no shimmering, wavering of the sight, dizziness, or other unpleasant sensation, but on the contrary, from the peculiar construction of the lenses, they are soothing and pleasant, causing a feeling of relief to the wearer and producing a clear and distinct vision as in the natural and healthy sight. They are the only spectacles that preserve as well as assist the sight, and are the cheapest because the best, always lasting many years without change being necessary.
