

OUT OF PATIENCE.—A good yarn is told of a chap who while riding, not over one hundred miles from this town, came across an old lady seated in a buggy which had been halted within a few yards of the Grand Trunk Railway track. She seemed to be uneasy about something, and as he drove up she asked:—"Say, mister, bain't that engine going to come along pretty soon?" He asked her to explain, and she pointed to the sign which reads, "Look out for the engine," and added:—"I've waited more'n two hours for the ole engine to go by, but I'm getting tired, and if it don't come pretty soon I'll drive right over the track and go home!"

The Atlantic of Brooklyn played their eighth game of the championship series with the Philadelphia, at Philadelphia, on Wednesday, and received their worst defeat of the season, the score standing 28 to 1.
