Players of both teams ran toward the club house and the crowd swarmed on the field. Manager Dooin, Captain Doolan and other Philadelphia players, however, rushed at Umpire Klem and called his attention to the fact that he was not in position when the ball was hit. Klem had his face turned to the stand and was announcing that McCormick was batting for Demaree. He agreed with Manager Dooin that he was not in position and called Chicago.

Schultz's single, Zimmerman's double, an error by McCarthy and Saiet's sacrifice fly gave the Cubs their only three runs. Hendrix checked the rally. Hits in the early innings off Ritchie were lucky.

BOXING!

After a long delay in trying to get a good boxing card for the fans of Calgary, I have succeeded in matching Andy Morris, of Boston, against Arthur Pelkey for 12 rounds. Morris is a heavyweight, weighing 200 pounds; he has boxed nearly all the "white hopes" around Boston and New York. He has met Pelkey on two occasions; each contest went the limit, most of the Eastern papers calling it a draw. Both men are anxiously waiting the decision of this contest, as the winner is matched with Luther McCarty for May 24.

I am boxing Andy Morris one day at the arena and Arthur Pelkey the following day at the Elbow View Hotel gym, and the fans are all invited to watch both men go through their training every day at 3 o'clock.

Mickey McIntyre, the welterweight champion of the West, will box Billy Griffiths, of Cincinnati, 12 rounds. Griffiths is the boy who beat Ray Bronson last week in the East, and claims the welterweight championship of the United States These boys are also very evenly matched, and this contest is the first of the series for the welterweight championship o the world, and, at, any price, it is my aim to furnish the best boxing contests there are to be had in the world for the fans of Alberta.

Another good card on this date will be a ten-round contest between Roy George, of Calgary, and Young Ross, of Winnipeg, and there will not be a boxing fan that won't get his money's worth when he visits the Burns arena on May'1.

The Manchester street cars will take you to the arena. Boxing starts at 8.30 sharp, and there will be no delays Prices: General admission, \$2; reserved seats, \$3; ringside seats, \$4; box seats, \$5; and 300 general admission seats will be sold at \$1.00 each after 9 o'clock. Tickets are for sale at the leading hotels and cigar stores and at both my clothing stores, 130 and 213 Eighth avenue west. Mail orders will be promptly
