NATIONAL LEAGUE.
No National League games were
scheduled for yesterday. Two games
will be played today (Memorial Day).

FLYS.
Hamman is playing good short for
Syracuse, but he is not batting up to
form.

McGraw is said to be drawing a sal-
ary of \$6,000 for the season from St.
Louis, which is equivalent to \$1,200 a
month.

Wagner, of Pittsburgh, leads the big
league in batting with an average of
.435. Lajoie is fourth with .425, and De-
chanty eighth, with .400. Freeman is
away down in the list, his figures being
.324.

Only two of the regular members of
the Montreal club are batting over
.300—Bannon and Henry. The former's
average is .336, and the latter's .300.
Johnson's figures are .284, Odwell's .282,
Schiebeck's .260, Lezotte's .260, and Do-
oley's .214.

Unofficial figures show Brooklyn to
be leading in stolen bases, with New
York next. The fact that the Brook-
lyns are now down in sacrifice hits
while the New Yorks are near the top
would seem to indicate that there is
such a thing as too much sacrifice hit-
ting.

FISTIO.
Chicago, May 29.—Kid McCoy was
given a decision over Syracuse Tommy
Ryan tonight at the end of the pre-
tense six-round fight ever seen here.
But over the decision, and what Re-
feree Malauchy Hogan claims was a
misapprehension, a free-for-all fight
resulted, and but for the presence of a
large force of police, who hustled the
men out of the ring and cleared the
hall in a hurry, it is probable that the
McCoy-Ryan fight would not have
been the most interesting thing in the
evening's programme. One clause of
the agreement was that a draw
should be declared were both men on
their feet at the end of the sixth round.
Referee Hogan said, after the contest,
that he had no such understanding,
and rendered such a decision as he
thought just. As the bell rung at the
end of the sixth round, Ryan, bleeding
from the ear and nose from McCoy's
fierce left jab, but comparatively

fresh, started toward his corner.
"McCoy wins," shouted Hogan. In an
instant the hall was a pandemonium.
"What do you mean?" asked Ryan in
amazement. Hogan said nothing, but
climbed through the ropes. "You're a
robber!" shouted Ryan. Hogan turned
around, and just as he did so, Ryan
swung his left to Hogan's face. Quick
as a flash Hogan returned the com-
plicit, with a blow on Tommy's
nose. But before they could go fur-
ther the police were between them.
The Tattersall's management admit-
ted after the fight that the draw
agreement was correct, but said Hogan's
decision would stand, so far as the
Ontario plate, Bouscort, in their
opinion of a large majority, had the
better of it. Ryan carried the fight
to his man continually, but the elusive
kid was generally out of the way, and
his lightning jabs had Ryan bleeding
slightly early in the fight.

FAVORITES MAKE POOR SHOWING

Toronto, May 29.—The racing at the
Woodbine today had no special features
except the fact that the favorites were
singularly unfortunate, and contrived
to lose a good deal of money for their
backers. In the third race, that for the
Ontario plate, Bouscort, the Dymont
horse, which ran third in the Queen's
plate, and finished apparently strong,
was the favorite. Bouscort, however,
finished a very poor last, and was the
subject of much adverse comment. It
is probable that Advance Guard, Car-
ruthers & Shields' horse, which beat
Seagram's Mr. Jersey in the Woodstock
stakes yesterday, will meet in the course
before Saturday in a match for a stake
of \$1,500 a side. Mr. Seagram thinks
that Mr. Jersey carrying 115 pounds is
a better horse than Advance Guard
carrying 125, and if preliminaries can
be arranged the doubt will be settled in
true sportsmanlike way. Following are
today's results:

First race, Queen City purse, \$400, for
3-year-olds and up, 6 furlongs—Spring-
wells, 100 (Irwin), 5 to 1; 1; Dangerous,
Maid, 92 (Weber), 3 to 1; 2; Momen-
tum, 110 (J. Martin), 10 to 1; 3; Time,
1:13. Advance Guard, 10 to 1; 3; Time,
1:05. Platter, 10 to 1; 3; Time, 1:05.
Second race, Lorne purse, \$400, for
maiden 2-year-olds, 5 furlongs—The
Copper, 108 (A. Weber), 10 to 1; 1; Egyp-
tian Prince, 111 (Landry), 20 to 1; 2;
1:08. Advance Guard, 10 to 1; 3; Time,
1:05. Platter, 10 to 1; 3; Time, 1:05.
Third race, Ontario purse, \$400, for
horses owned, trained and raised in Can-
ada, that have never won a race, 1½
miles—White Clover (Pemberton), White
Clover and Play Fun coupled in bet-
ting, 2 to 1; 1; Eucalure, 91 (J. Martin),
coupled with Pillars, in betting, 5 to 1;
2; Pillars, 98 (Boyle), 3 to 1; 2; Time,
2:04. Belcourt and Curlew Bell also
ran.

Fourth race, Rosedale purse, \$400, for
3-year-olds and upwards, 1 1/16 miles
—Chopin, 112 (A. Weber), 10 to 1; 2;
Free John Halsey, 96 (Thompson), 8 to 1;
5; Highland Prince, 104 (McQuade),
12 to 1; 3; Time, 1:52. Free Advice also
ran.

Fifth race, May handicap, purse \$400,
6 furlongs—Prince Plausible, 105 (Land-
ry), 8 to 1; 1; Rey Salazar, 104 (Mc-
Quade), 5 to 1; 2; Credentia, 112 (Bal-
ford), 4 to 1; 3; Time, 1:18. Glad Hand,
Ida Fordham, Expelled, Mr. Clay also
ran.

Sixth race, purse \$400, for 3-year-olds,
1 mile—Alfred Vargrave, 99 (J. Mar-
tin), 4½ to 1; 1; Maidstone, 99 (A. We-
ber), 4½ to 1; 2; Kitty Regent, 103 (Cas-
tro), 7 to 1; 3; Time, 1:46. Edin, Wine
Press, Jack Carey also ran.

FAMOUS HORSE DEAD.
The checked career of little old
Ryland T., 2:07¾, successively a cow
pony, a king of trotters and a cast-off
road horse, was ended last week on
the Dundee race track near Paterson.
The bay gelding that once held the
world's record for three consecutive
heats fell down dead after trotting a
slow mile. Dr. H. A. Machan, of Pat-
erson, owned the once great horse,
having bought him at auction for the
paltry sum of \$20 less than one month
ago. Ryland T. was 16 years old. He
was foaled on the range near Idaho
Falls, Idaho, and was got by Taylor's
Ledger, Jun., a son of Ledger, by
Robert Bonner, that old-time stage
coach magnate. Ben Holliday, took
to the far west from this state many
years ago. Ryland's dam, May Ulver-
ton, was by Ulverton, the thorough-
bred son of Lexington, out of a Mis-
souri saddle mare called Belle Ridge,
whose breeding is unknown. Bod
Stewart, of Kansas City, bought on
Ryland about ten years ago, and the
little horse was prominent in the
Grand Circuit four or five years in

succession. A more unreliable trotter
was never seen, and few faster ones
ever set foot on a race track. A 3:00
trotter could shut him out, when he
was in bad behavior, and a 2:05 trot-
ter was not sure to beat him when he
took a notion to trot. No one could
tell beforehand how he was going to
cut up, and his backers never breath-
ed easy until his nose was under the
wire in the deciding heat. He won
some great races for the Stewarts,
Pat, Bob and John, but he probably
cost those plungers much more than
he ever earned. His greatest race was
trotted at Cleveland, July 28, 1894.
Alix that day won the fastest three-
heat race ever trotted. But the ink
was hardly dry on his champion re-
cord before the turbulent, moody little
Ryland wiped it out in a manner that
made every circuit plunger raise his
hair. The time of his miles was 2:07¾,
2:07¾, 2:03¾.

NOTES OF SPORT.

Pastime, a monthly journal of re-
creation, sport and amusement, pub-
lished at Toronto, has made its appear-
ance, and the first number is very cred-
itable to the management of the enter-
prise. The old Canadian Wheelman has
been incorporated with Pastime, which
will in future be the official organ of
the C. W. A. Mr. H. Wright Phillips,
publisher, will make every effort to
make Pastime one of the leading sport-
ing authorities in America, and every-
thing will be written up in a bright and
 breezy style. Every kind of sport will
be found in its pages, and readers will
be kept in close touch with the doings
of the sporting world in general. Each
issue will be replete with numerous
half-tone illustrations.

CAPT. DREYFUS IS EXCLUDED

**From Provisions of the French
Amnesty Bill.**
Paris, May 30.—The senate reas-
sembled yesterday, and M. Eugene Es-
tremé presented his report on the am-
nesty bill, the provisions of which pre-
vent the criminal proceedings arising
out of the Dreyfus case, and he asked for a discussion of
the measure next Friday, to which the
senate agreed. The report says former
Capt. Alfred Dreyfus is excluded from
the amnesty, owing to the serious
double objection that amnesty in ef-
facing all trace of the condemnation
and crime itself, would have as a con-
sequence the reinstatement of Dreyfus
in all his rights, while on the other
hand it would deprive him of the right
to seek a revision of his case. The
bill, it is further pointed out, will have
the effect of removing various suits
from the criminal courts to civil juris-
diction, and the most complete light
on the Dreyfus affair may thus be
thrown, but without noise and without
scandal.

ATTACKED BY ASHANTIS.

London, May 30.—The British colonial
office has received advices from Col.
Wilcocks, in command of the relief
force which recently started for Ku-
massie, saying that a small force of
Ashantis from Prahu, commanded by
Lieut. Slater, had been attacked, and
that Lieut. Slater and several of his
men had been killed.

RAIN IN INDIA.

The Viceroy of India telegraphs that
good rains have fallen in Mysore, and
that scattered showers have fallen else-
where. The cholera has not abated in
many parts of Bombay and Rajputana,
and causes much suffering and im-
pedes the relief work. There are now
6,730,000 persons in receipt of relief.

Mr. James Mackenzie McLean (Con-
servative), on the motion to adjourn
the House of Commons to the India famine,
which he said, the Indian government
seemed unable to cope with. Lord
George Hamilton, secretary of state
for India, referred to the testimony of
Indian ministers at the recent Econ-
omical Council in New York, in praise
of the Indian government's work. He
reminded the house that he had al-
ready announced that assistance
would be given if necessary from the
British exchequer. At the present,
however, there was no lack of funds
and, in his opinion, an appeal to the
British exchequer now would only
dry up the springs of private charita-
ble contributions. He said he hoped
that in a few days the normal rainfall
would begin, in which event the next
few weeks would witness a steady
diminution of the numbers now re-
quiring relief.

NATIONALIST PROSPECTS.

John Redmond, chairman of the
United Irish parliamentary party, just
previous to starting for Dublin, in or-
der to arrange for the Irish National
convention, which is to take place on
June 19, said to a representative of the
Associated Press: "I anticipate an
early dissolution of parliament. This
will militate against the Nationalists,
owing to lack of time for thoroughly
organizing, and their lack of funds is
liable to lose them several seats." Mr.
Redmond also said he hoped American
aid would be forthcoming to assist the
Nationalist candidates.

FOR THE FIRST TIME.

St. Petersburg, May 30.—For the first
time on record the czar invited the
members of the British embassy to
dinner on the occasion of the Queen's
Birthday last week. The innovation
is regarded as of great political sig-
nificance.
