Pitcher Georgie Bradford, late of the lap of the second mile, the tire and Hame, has been signed by Worcester, of the Eastern League. Woodstock Canadian League team plays the Knox nine here on Saturday

afternoon at Tecumseh Park. A fast game is looked for. Wingham ball team defeated Brussels

vesterday. Score, 12 to 6. Detroit Free Press: Jones acts like a coming star, as he is fast on the bases and stands up to the plate in approved style. Since joining Tigers he has faced a pitcher four times, drew one pass, made a two-bagger and a single, scored two runs, and been thrown out on a hard grounder to the infield.

"Bumpus" Jones, who received his bumps many a time in the old Western League, has been given his uncondi-tional release by the Fort Wayne club, of the Interstate League. The Fort Wayne club has signed Cooper, formerly with the defunct London team, to fill Jones' place.

Winnipeg was chosen as the next meeting place of the grand lodge. By a standing vote the grand lodge authorized the dispatch of the following message to her Majesty: "Sup-Grand Lodge Sons of England Society in annual convention desire to renew expressions of royalty and devo-tion to the Empress Queen." (Signed) Chas. A. Hodgetts, S.G., president." The resolution was adopted with enthusiasm, the delegates singing "God Save the Queen."

Important legislation arising out of the sessional paper abolished grand lodge annual sessions which have passed into the limbo of things that were, and the grand lodge will in future meet every two years.

Subordinate lodge funds were safeguarded by placing in the constitution a clause confining the use of surpluses to investments authorized by the various pròvincial statutes.

Grain Being Harvested-Wheat Under Twelve Bushels Per Acre-Rain Helps the Roots.

Winnipeg, Aug. 16.-The Northern Pacific Railway Company's weekly crop report shows that a little under twelve bushels to the acre will be the average yield throughout the company's system in Manitoba. The pest returns come from Portage district, while on the international boundary and on the Hartney extension reports are not quite so good. Harvesting is almost general along these lines, though heavy warm rains of late have tended to delay operations. This, however, has improved the root crop wonderfully, and potatoes especially now bid fair to give handsome returns Barley and oats are doing well, and hay, though first-class in quality, will only come up to a little less than half Stevenson, skip... 18 D. Danger Districts Well Guarded by Policemen.

Chief Devery Has 1,000 Men Within Striking Distance.

New York, Aug. 16.-Inspector Thompson, with 100 policemen, in addition to the several hundred regular men in the precincts affected by the rioting, was on the ground in the riotous district before nightfall and he kept his men on the move. They had orders to arrest any man-black or white-who evinced the slightest disposition towards riot. The danger spot was recognized to be around the West Thirty-seventh street station. Thirty-sixth, Thirty-seventh, Thirtyeighth and Thirty-ninth streets are many large negro tenements. Everybody was kept on the move.

Early in the evening the patrolmen began to bring in prisoners. Wm. Elliott, colored, 21 years old, was arrested for buying a revolver. He declined to surrender the weapon, and was arrested. On the way to the station he resisted, and the policeman used his club. When Elliott was brought into the station he was bleeding from two scalp wounds and was hardly able to talk.

Hardlay Johnson, a negro porter, was seen with a loaded revolver in a trolle car. Policeman Gaynor jumped on the car and jerked Johnson out of it. The negro tried to use his weapon, Gaynor beat him with his stick until the fellow begged him for mercy. He had a four-inch gash in his face when locked up.

Louis Swartz, 18 years old, threw the stone. He was arrested. On the way to the station Jacob Gombel undertook to take Swartz from the policeman, and was arrested.
