

## LONDON MINISTERS NOT IN "MARRYING PARSON" CLASS

Tying of Nuptial Knots Evenly Divided According to Registrations—Rev. C. R. Gunne Leads List for 1913

Who is the "marrying parson" of London? Many Canadian and American cities have some one clergyman with a number of marriages performed, so much larger than the number to the credit of his fellow-ministers that he is called the "marrying parson." London, however, does not seem to be in the "marrying parson" class, for the high-water mark of last year's list was only 31. The marrying parsons of many cities have records that run into almost the thousands.

Of the London clergymen, Rev. C. R. Gunne, of Christ Church, English, performed the greatest number of marriages in 1913, according to the registrations in City Clerk Baker's office. Rev. Mr. Gunne officiated at 31 weddings in London. Rev. H. H. Bingham, of Talbot Street Baptist Church, comes next with 27, and Rev. Dr. Sage, of St. George's Anglican Church, had 24.

Rev. Dr. C. R. Gunne, of the First Methodist Church, in the last half of the year had 16 weddings, probably as large a number as any of the other ministers for the same period. His predecessor, Rev. Richard Whittington, of the First Methodist Church, had 15 marriages in the last half of the year. Rev. A. Graham, of Centennial Methodist Church, had 20 weddings in 1913.

The late Dr. James Ross, of St. Andrew's, married 18 couples; Rev. W. M. Walker, of Worthing Road Baptist Church, 15; Rev. R. W. Norwood, of Croydon Memorial Church, 14; Rev. J. H. Boyd, of Adelaide Street Baptist, 13; Rev. W. H. Harvey, of Askin Street Methodist, 11; Rev. S. Anderson, of Memorial Methodist Church, 10; Rev. Canon Tucker, of St. Paul's Cathedral, 14; Rev. E. Appleyard, of St. Matthew's Church, 11; Rev. J. E. J. Milroy, of St. Andrew's, 10; Rev. J. A. Mackenzie, of the Christian Workers' Church, 10; Rev. G. N. Hazen, of Wellington Street Methodist, 10; Rev. Frank Harper, of Chalmers Presbyterian Church, 10; Rev. W. R. McIntosh, of King Street Presbyterian Church, 10; Rev. Dean Davis, of St. James' Anglican Church, 10; Rev. T. H. Mitchell, of New St. James' Presbyterian Church, 10; Rev. T. B. Clarke, of All Saints' Church, 10; Rev. W. A. Claris, of the Southern Congregational Church, 10; Rev. E. J. Jones, of St. Peter's Cathedral, 10; Rev. Father Hanlon, of St. Mary's Church, 10; Rev. Father McKee, of St. Mary's Church, 10; Rev. Bishop Fallon, of St. Mary's Church, 10; Rev. Bishop Williams, of St. Mary's Church, 10; Rev. Canon Craig, of St. John's Church, 10; Rev. Archibald McKibbin, of St. John's Church, 10; Rev. Mr. Hart, of Hill Street Methodist Church, 10; Rev. H. D. Whitmore, of the First Congregational Church, 10; Rev. D. O'Connor, 10.

Rev. D. Sobozak, of Berlin, performed no less than eight marriages in London. Other out-of-town ministers performed 18 marriages in London. Elder Pileg, of the Latter Day Saints, had 2 marriages; Major McGillicuddy, of the Salvation Army, 1; Rabbi Phillips, of the Richmond Street Synagogue, 6; Rev. Mr. Noehren, of the Lutheran Church, 1; Rev. John E. Boyce, an out-of-town minister of the Swedish Lutheran denomination, performed 1 marriage; Rev. Bela H. Hayden, of the Christian Church, 4; Rev. Dr. Manning, of Dundas Centre Church, 7; and Rev. A. J. Johnston, his

successor, 5; Rev. H. R. Ashby, of the Church of the Redeemer, 5; Rev. John Hosie, 5; Rev. Mr. Martin, 2; Rev. G. H. Saunders, 2; Rev. Hugh McFarlane, 3; Rev. P. Nichols, 3; Rev. S. S. Hardy, 1; Rev. Father McPhail, 1; Rev. Mr. Bartlett, 1; Rev. James Wilkins, 2; Rev. L. Wickett, 3; Rev. J. E. Hawkins, 1; Rev. W. C. Riddford, 5; Rev. J. M. McMahon, 1; Rev. G. B. F. Doherty, 1; Rev. R. D. Hamilton, 1; Rev. James Robinson, 3; Rev. James Hamilton, 2; Rev. S. E. McKegney, 2; Rev. C. M. Carew, 1; Ven. Archdeacon Richardson, 2; Rev. J. R. Gundy, 1; the late Canon Smith, 1; Rev. A. E. Lloyd, 3; Rev. A. A. Bos, 2; Rev. S. R. Drake, 3; Rev. S. R. Heakes, 1.

**The Marrying Church.**  
While Rev. C. R. Gunne can claim for 1913 the distinction of being the "marrying parson" of London, it appears that the First Methodist is the marrying church.

First Methodist ministers have the following marriages to their credit: Rev. R. Whittington, 20; Rev. Dr. Flanders, 16; and Rev. N. Drew, 8, or a total of 44. St. Andrew's pastors have a total of 21. Rev. Dr. Ross, 18, and Rev. H. McFarlane, 3.

## "EVERYBODY'S DOIN' IT" WHAT?—TESTING COINS

Presence of "Queer" Manufacturers Causes Subtle Mistrust To Become General.

"Does it ring?" No reference is made here to bells of any description, but to coinage, honest Canadian coin, that pays the grocer, the butcher, not to mention the milliner and dressmaker. Particularly of fifty-cent Canadian pieces, the question is asked.

The reason of the unusual interest in the appearance of the coin is laid at the door of the three "phony money" slippers, who paid London an impromptu visit last Saturday and who are now enjoying the hospitality of one, Governor Carter, for sundry attempts to pass the "queer" while sojourning in London.

Of course, everyone is interested in the flimsy piece, because two make the dollar, and the dollars mark out the nickel into which each man forces himself. But today, as previously stated, there is an unusual interest in the "half spot." If a man enters a store and casually places a "50" on the counter, immediately the subtle brain of the dealer, working overtime, brings suspicion to the fore, with the result that he scrutinizes man and money closely. Then the "ring" test is applied under some pretext. The ultimatum follows.

Nor is the suspicion one-sided. If the dealer regards his prospective buyer with distrust, so does the buyer look at the same feeling upon the coins that are handed to him in change. In conversation with The Advertiser, a prominent retailer remarked that on several occasions during the day when he had given fifty-cent pieces in change the customers had politely requested bills or silver of other denominations.

"Soon we will have nothing but 'four-bit' pieces" in our tills, he humorously stated. "No one wants them. Even the 'unquestionables' are regarded with the thoughts of 'phony money' attachment."

**Sovereigns May Visit Ireland.**  
[Canadian Press.]  
New York, Jan. 8.—A London cable to the American says: "King George and Queen Mary are already considering a visit to Dublin in July of next year. The opinion of the well-informed circles is that there will be no extended sojourn in Ireland until the present period of tension has been definitely ended."

**Chinese Steamship Company.**  
[Canadian Press.]

The capital is to be \$50,000,000, of which 10 per cent will be raised by the government and the remainder among Chinese residents abroad and rich Chinese in the interior."

**Izzet Pasha Getting Busy.**  
[Canadian Press.]  
Brindisi, Italy, Jan. 8.—Unconfirmed reports are in circulation that Izzet Pasha, former Turkish minister of war, has arrived here on his way to head an expedition into Albania. The police are keeping close watch on a number of Albanians who have several meetings at various houses, where they are registered as officers.

It is declared by Albanians that the Mussulmans in Northern Albania, under the leadership of Essad Pasha, favor the claims of Izzet Pasha to the throne, while the southern Albanians support Ismail Kemal Bey.

Any person desiring to contest the claim of any person upon the said list, may file his contestation in my office and serve a copy thereof upon the said liquidator and the claimant whose claim is to be contested on or before the 23rd of January next.

"The liquidator will, by my direction, send by mail to every claimant whose name appears upon the said list, particulars of the amount for which he is delinquent upon the said list. If this amount is satisfactory to the claimant, he need take no further action. If his claim is contested, further notice will be given to him. If any question, if raised, involving the rights of numerous claimants, proper provision will be made for the representation of the class interested so as to save the individual claimant's expense."

**Big Loss in London.**  
According to each circular is a statement for each policyholder of the amount of his claim against the company. Some persons have paid in hundreds of dollars on the endowment plan, and whole families in the city will lose large amounts of money as a result of this latest wild fling in finance of Toronto capitalists.

One policyholder sacrificed \$58 through the failure of the company, while others have lost varying amounts. Their hope of reward lies in the disposition of the company's assets and the success or otherwise of its investments.

Was Prominent in British Affair Thirty Years Ago.  
[Canadian Press.]  
London, Jan. 8.—The death occurred today of Viscount Cross, who was one of the most prominent statesmen in England about 30 years ago. He had offices in several cabinets occupying at various times the secretaryship of state for the home department, the secretaryship of state for India and the post of lord privy seal. He was a member of the House of Commons for 24 years and sat in the House of Lords for 28 years, having been made a peer in 1888. He was 91 years old.

**A DOUBLE SUICIDE.**  
[Canadian Press.]  
New York, Jan. 8.—The bodies of Joseph Shuffley, 46 years old, and his wife, Amelia, a year younger, were found last night in a gas-filled room in their home by a physician whose call, at their request, was part of a carefully arranged suicide pact.

Letters written by the couple stated that both were suffering from tuberculosis and had been told they had only a few weeks to live. The couple owned their home and bank books showed deposits of \$3,000.

## POLICYHOLDERS FEAR LOSS OF ALL PREMIUMS

Union Life Endowment Policies Not Taken Over By Metropolitan

**CREDITORS WILL MEET**  
Will Likely Call Meeting For Purpose of Presenting Their Claims.

Policyholders of the defunct Union Life Company in London and all parts of Western Ontario Wednesday received from George Kappelle, official referee, notices to the effect that all claims against the company must be forwarded to him on or before Jan. 23.

There are hundreds of policyholders in the city and district, and the former are greatly agitated at the present time over the prospect of losing all of the endowment part of their policies when the policies are taken over by the Metropolitan Insurance Company.

**Chances of Loss.**  
In the case of a policyholder who has made any payments on a Union Life endowment policy he stands to lose all of the money he has paid up, retaining only his "straight" life privileges. For instance, if a man had made payments amounting to \$68 up to the time of the company's failure, the Metropolitan agrees to take over his policy on the straight life basis, but his claim for previous payments is entirely up to the liquidator. If he should die his heirs would receive the full amount of the policy, but if he lived beyond the life of the original policy, he would have to continue to pay endowments to the Metropolitan.

There is talk of calling a meeting of the policyholders in London to discuss the form in which claims against the defunct company shall be made. It is said that more effective steps can be taken by the policyholders by responding to the request individually.

**Referee's Circular.**  
The circular issued by the official referee is as follows:  
"In pursuance of the provision of the Winding-Up act and the winding-up order made therein, the liquidator has prepared and filed in the office of the superintendent of insurance at Ottawa, a statement of all persons appearing by or for the company and of the officers of the said company to be creditors or claimants on any matured, valued or cancelled policies or contracts of insurance in the said company and of the amount due to each person in respect of all such claims. A duplicate of this list may be seen in the office of the liquidator. All such persons will rank as creditors or claimants for such amounts with reference to the filing of their claim, notice of evidence or taking any action. Nevertheless, any such claim may be contested by any person interested and any person who is not placed upon the said list, or who is dissatisfied with the amount for which he appears as creditor or claimant, may file his claim."

Any person desiring to contest the claim of any person upon the said list, may file his contestation in my office and serve a copy thereof upon the said liquidator and the claimant whose claim is to be contested on or before the 23rd of January next.

"The liquidator will, by my direction, send by mail to every claimant whose name appears upon the said list, particulars of the amount for which he is delinquent upon the said list. If this amount is satisfactory to the claimant, he need take no further action. If his claim is contested, further notice will be given to him. If any question, if raised, involving the rights of numerous claimants, proper provision will be made for the representation of the class interested so as to save the individual claimant's expense."

**Striker Killed at Tacoma.**

Tacoma, Wash., Jan. 8.—Andrew Aronke, a striker, was shot and killed in a fight last night at the plant of the Tacoma Smelting Company. During the battle between strikers and deputies, 200 shots were fired. The men are on strike because their working day was lengthened from nine to ten hours without increase in pay.

**Child Almost Strangled.**  
You never know what minute a child will develop a bad cold or be seized by croup. For this reason it takes a great burden off every mother's mind to have at hand Dr. Chase's Syrup of Linseed and Turpentine.

Mr. E. W. Silver, South Milford, Annapolis County, N. S., writes: "I have used Dr. Chase's Syrup of Linseed and Turpentine for my little boy with most satisfactory results. His throat would fill up with phlegm so bad that he could scarcely make a sound, and I thought he would surely strangle. He grew worse, and had frequent bad attacks, so I began using Dr. Chase's Syrup of Linseed and Turpentine. Scarcely half a bottle was used when the strangling ceased. This medicine has a wonderfully soothing effect, and when he had taken two bottles I could not tell that he had any throat trouble. We have also used Dr. Chase's Ointment with equally good results. It is a grand medicine for salt rheum."

## OPERATORS TELL FERRIS THEIR TALE

Striking Miners Offer to Work on Certain Conditions.

[Canadian Press.]  
Houghton, Ont., Jan. 8.—Governor Ferris continued his investigation into the strike of the copper miners in Northern Michigan. Should a proposition be advanced by the operators, it will be placed before the strikers.

This was the third day of the government's investigation and was given over to a hearing of the operators. The union men are standing on their proposition of a settlement which was made recently by John B. Denmore, of the department of labor. It was stated at the hearing yesterday that the union men are willing to return to work without a recognition of their union on the provision that the company do not discriminate against strikers or members of the Western Federation of Miners.

**With the Price of Meat and Eggs Soaring**

It's worth while to consider the double advantage—economy and health—of using cereal food.

Wheat and barley are rich in Nature's nutriment, and there's substantial evidence that cereals give one greater endurance than meat.

**BOTH GAINED**  
Ma: and Wife Thrive on Grape-Nuts

The notion that meat is necessary for real strength and the foundation of solid flesh is not now as prevalent as formerly. Excessive meat eaters are usually sluggish a part of the time because they are not able to fully digest their food, and the undigested portion is changed into what is practically a kind of poison that acts upon the blood and nerves, thus getting all through the system.

"I was a heavy meat eater," a man writes, "and up to two years ago was in very poor health. I suffered with indigestion so that I only weighed 95 pounds.

"Then I heard about Grape-Nuts food and decided to try it. My wife laughed at me at first, but when I gained to 125 pounds and felt so fine, she thought she would eat Grape-Nuts too. Now she is fat and well and has gained 40 pounds. We never have indigestion any more and seldom feel the desire for meat.

"A neighbor of ours, 68 years old, was troubled with indigestion for years, and was a heavy meat eater. Now, since he has been eating Grape-Nuts regularly, he says he is well and never has indigestion.

"I could name a lot of persons who had rid themselves of indigestion by changing from a heavy meat diet to Grape-Nuts." Name given by Canadian Postum Co., Windsor, Ont. Read the little book, "The Road to Wellville," in pips.
