Week But Only Two Games Have Been Played.

Once more, rain stepped in and cost the London Club a bunch of money. The team has been away for nearly a week and yet only two games on the road have been played. Just when the Brants were picking up, and Brantford fans would have turned out in large numbers, rains spoiled three games, one Friday and two Saturday. Yesterday, the London and Guelph clubs were to have played at Galt, but rain prevented the game. A half holiday was declared for the occasion, and there is no doubt that the attendance would have been good enough to have given both London and Guelph a good sum.

Ispecial to The Advertiser,]
BRANTFORD, July 7. — Two more home runs occurred in today's game betwen Brantford and Ottawa, which the locals won by the score of 4 to 3. This makes ten circuit clouts during the series here this week, and this is a new Canadian League record. Today's game was the best played of the series. Ottawa got the jump by scoring two runs in the first frame, but the Brants came back and added one, and in the fourth tied up the game by scoring two, after Ottawa had secured one in its half. The game was won in the fifth, when the locals showed a run across. Peterson was taken out in the fourth and Roberts finished. Cresswell pitched fine ball for the locals after the first inning. Petie Powers got a home run off him in the fourth.

Cooper, the Brantford catcher, was the star of the game. He had a home run, a double and a single in four times up, besides playing a great game behind the bat.

HOW THE TEAMS STAND

BROOKLYN, July 7.—After making it four straight from Boston, by winning the first game of today's double-header by 4 to 3, the Brooklyns fought out a sixteen-inning runless tie. The first game was a battle between south-paws, Smith having a shade on Tyler. The second game was called at the end of the sixteenth inning on account of darkness after Douglass had fought a great duel with James and Davis. The Braves got only one hit off Douglass in the first nine innings and only four altogether. James aloff Douglass in the first nine innings and only four altogether. James allowed two hits in five innings and then gave way to a pinch-hitter. Davis pitched great ball in the last eleven innings, keeping the nine hits off him well scattered. Both teams had numerous chances to score, but were stopped by brilliant fielding.
