Canada.

1 hiladelphia, Sept. 22.—The annual cricket match between the United States and Canada ended to-day in a victory for the United States, but only after a stubborn contest and with only two wickets to spare in a full two inning match. Yesterday the Canadians scored 108 in their first innings and the United States team 119. To-day Canada put together 120 in its second innings, making the grand total 228. The United States then went in for the second innings and lost eight wickets before they obtained the necessary 110 runs to pass the Canadians' total. H. S. Chambers made the top score for the Canadians to-day, putting together 30 runs. C. C. Morris carried the honors for the United States in both innings, with 35 and 32 respectively. MEET POSTPONED.
