BASTEDO & CO., FACTORY 64 YONGE-STREET.

A CROWDED CLOTHING STORE.

A Crowded Clothing Store is what Oak Hall is these days, notwithstanding the very mild weather, and has been so ever since we announced
OUR GREAT COLOSSAL REDUCTION SALE OF

MEN'S AND BOYS' OVERCOATS AND SUITS

And as the facts become known the Crowd increases daily. Everyone who has entered our establishment so far has bought, for it is quite apparent to anyone that there has been a terrific slashing of prices taking place, and that the Clothing is selling away down below its true value.
For to-day's trade we have made full arrangements for a heavy day's business with an increased staff of six additional men, making our staff to-day twenty-one, consequently there will be no danger of your being kept waiting. To-day we are going to direct our attention to the

NAP AND MELTON OVERCOATS.

We have them all shades and sizes, and as we have still on hand about 700 of these garments, we are certainly a little anxious to get them out, and in order to accomplish this end in the course of a week, the prices will just be exactly wholesale, or what you would have to pay buying them by the dozen.

We Have a Grand Assortment Boys' Overcoats, Made Expressly for the Xmas Trade,

And they are beauties and have to be seen to be appreciated. Store closes sharp at ten o'clock, so be good enough to come early. We manufacture all the clothing we sell, the only house in the city that can say this truthfully. Yours Truly,

OAK HALL, THE GREAT ONE-PRICE CLOTHING HOUSE
