In the second heat, Mallard finished 1st, with Little X., Adventurer and Belcourt, 2nd, 3rd and 4th, but the judges set the first two back for running in several feet on the green, there being no fence. Time 1.53 1-2. In the third heat, with the others barred, Mallard beat out Adventurer in the slow time of 2.03. The race was given to Mallard, with Adventurer 2nd, and Belcourt 3rd.

This race was very amusing, as the horses had to be harnessed, walked around the track once and trotted around once; while every break that was made forced the driver to stop and turn around in the track.

The two mile bicycle race was won by William McInfosh, with H. A. Parkins and J. Anderson, of the R.C.B.C. 2nd and 3rd.

Editor World: For some tme past several partes, wishing to possess land without taxation, have visited a property on Roncesvalles-avenue, owned by the family of the late Colonel O'Hara, and carried off loam in wag-O'Hara, and carried off loam in wagons, flour bags, etc. Through the
vigilance of the police some of the celinquents have been caught, and will
appear before the Police Magistrate.
Investigation shows the loam to have
been disposed of at ten cents per
bucket, and two dollars per wagon
load. When citizens pay heavy taxes
upon their land those who commit
such depredations should be severely
dealt with. R. P.

Very many persons die annuaily from cholera and kindred summer complaints who might have been saved if proper remedies had been used. If attacked do not delay in getting a bottle of Dr. J. D. Kellogg's Dysentery Cordial, the medicine that never fails to effect a cure. Those who have used it say it acts promptly and thoroughly, subdues the pain and disease.

First prizes in honey were won by J. Davison, Unionville, and D. Ramer, Markham.

In fruit, James Brown of Eglinton won the most prizes.
In regetables there was keen competition, scarcely any two prizes going to the same man. The principal winners in flowers were: Mrs. Steele, Mrs. Secor, Miss Hall and Miss Miler of Markham.

The Live Stock.

As might be expected, the show of cattle and animals of all kinds was a splendid one, and worthy of the properous riding in which they were bred. With the exception of first prize for 2-year-old Durham bull, which went to Mr. Robert Ramer, Mr. John Miller won all the firsts in this breed of cattle, with a very fine show of animals, in Jersey cattle, Mr. J. G. Freeman won first for 2-year-old bull, bull calf, milk cow, and Jersey helfer and herd. In bull calf milk cow, 2-year-old bull, bull calf, milk cow, 2-year-old belifer. Mr. J. Jos. Barton in Chester Whites.

The poultry show was well worth a visit and the principal winners here were: Messrs. Knight and Osborne, Beamsville; Irving & Pearson, Westton, and George Robbins, John Hara and W. S. Mackenzie, Markham.

In horses, the judging was going on all afternoon, and returns were not in until late. But it was well seen that the show was a fine one in all classes. Especially deserving of mention was the string of 15 from Graham Bros. Cairnbrogie stock farm at Claremont, which won many first prizes.

Mr. Alfred Mason of Scarboro was given the first prize for his draught brood mare and foal. Both animals were worthy of the Industrial Fair, Quite a number of horses were sold on the ground. Mr. Thomas Hood sold a heavy team to Mr. Sandy Dougherty for a Toronto firm.

It would be impossible to do justice to all the prize winners, the entries being so numerous this year in grains and roots, leather, agricultural implements and so on. In the latter class the farm wagon exhibit of the well-known Markham firm, the Speight Wagon Company, was especially fine.

Speeding in the Ring

The speeding in the ring during the afternoon fully equalled, if it did not surpass the previous day. The results were:

Free-for-all, trot or pace; mile heats; 2 in 5; 330, \$20 and \$10. First heat: Mallard 1st, 230 and \$10. First heat: Mallard 1st, 2
