Who will b the evil thing done. It is rarely that you be the first to win the honors? find an old man bemoaning his sins. But how often you hear him lamenting his wasted opportunities! It seems to him an unpar donable sin that any of his powers should

have gone to waste. Here is a suggestion and a warning for youth. Make the most of all your powers seems that there is good reason for this asand opportunities! Do not lay up for yourself burdens of remorse by neglecting to use draft horses in this country has been at a and develop the faculties with which you standstill, or receding, and for a year or two have been endowed. The time to begin is in many parts of the country mares have always now. There can be but one now for been bred to road horses or coach horses, the present opportunity. There will be and now there is a notable call for young another now to morrow, but it will be for draft horses from cities where there will a another opportunity. The chance you have | ways be a demand for more or less of this to-day will never come back.

There are few sadder sights than a young man or young woman of rare promise squandering time, talent and opportunity in indolent unconcern, or in the pursuit of something utterly unworthy of themselves. One feels that they are capable of such noble has been called upon for draft horses until things !- and yet they are selling themselves so cheaply to mere pleasure or dull-sensed ease. Little do they dream of the ever in-that have been sold, for all the young stuff creasing regret which is destined to pursue them like Nemesis as they enter upon the serious years of life. That irreparable past, | taken the place of thousands of light horses, with the opportunities that can never return -how the memory will haunt them!

"Make the most of your time, my boy!" were the parting words of a good old minister. who was sending his son away to a distant college, not to see him again, perhaps, until the boy's preparation for life had been comcannot dispose of them. pleted. It was an injunction into which was packed the wisdom of a life of godly experi

ence, and if the boy followed it, he could not have gone far wrong. Make the most of yourself, young man, young woman, whoever and whatever you are! Lay up no regrets for unused powers. Be a christian; be instead of feeding them whole. There i orable; be good. But with all your being, be faithful to the power that in you lies. of the cut stalk will be eaten.

A Lucky Cat.

Mrs. Fred Vanderbilt's cat, Koko, is said to have cost, counting original price paid and cost of importation, close upon \$1,000. He was born in the palace of the Mikado, and is the most beautiful as well as the most costly cat in the country. Of unusual size, he is like a maltese cat in color and intelligence. His mouse colored coat is like heavy satin, so rich and showy and sleek. Every norning he has his bath and is combed and fed before he is allowed to present himself in Mrs. Vanderbilt's rose-colored morning oom. His breakfast of cream and grilled bones is served in a delicate china bowl and soup plate, very like those used by children the injury from drouth. for their oatmeal. One of Koko's accom plishments is the delicate way in which he partakes of his meals. He never spills a drop of cream, or touches the delicate carpet with weight will not enable the owner to learn if a piece of meat or bone.

Hale and Hearty. The Englishman says he "drinks hail and it makes him ail." The Canadian drinks Patner's Emulsion and it makes him hearty.

The next morning I went to her and rell expect the housekeeper to turn out a told her to take the fruit to the sick room. "Sure, ma'am, Oi can't. 'Tis mesel thought ye wanted them throw'd aw with the peculiarly stupid look an Ir puts on and takes off with ease. "Thrown away, Bridget?" I

angrily. "How could you be Don't you know that kind of gr awfully expensive?" "Don't be put out, ma'am," Bridget sa othingly. "Sure not one was wasted. ate ivery grape meself!"

--Mr. Dumbleton, who is too economical o keep an extra collar buttons on hand, and who devotes a good share of his matin moments to hunting these wayward essentials of male attire, startled his wife the other morning by a more than overflow of emphatic language.

"What's the matter now?" she asked. "Matter enough!" he returned, with a series of paralytic gasps. "Ive swallowed my collar button!

"Thank goodness!" snapped out Mrs. "For once in your life you Dumbleton. know where it is."

She was from New York. Between intervals of sobbing, the Boston entist remarked: "Little girl, just evacuate into this cceptacle the fluid contents from your oral cavity." "Mamma!" wailed the child, "what does he want me to do?" And with an amused smile the woman

replied, "Spit." -Mr. Gotham-"The doctor says I need

est and quiet and must move to the country I want to find a small house in a perfectly quiet neighborhood, where there are no noisy children, no barking dogs, no crowing roosters, no disturbing sounds of any kind."

Suburban Agent (thoughtfully) -" Let-me see. Hadn't you better buy a cemetery lot and build on it?"

Proof Positive.

Gladys-What are you going to do when you leave college? Tom-Oh, live on my income, I guess

Gladys-A man as clever as you might do nething to prove his cleverness. Tom-Living on my income would prove me one of the cleverest financiers of the age.

Economy is Wealth.

Isaacstien-"Rebecca, you will ruin me nit your extravagance." Rebecca-"Vat's madder, fadder?" Isaactein-" Vy, vat for you puy dot French pred mit so many noles in id, ven you gits dot home-mate pred at der same brice? I aind't payin' good moneys for holes."

-Wife-"An' phwy do yez be takin thim pills when yez are well again?" Husband-"Faith, would ye be afther havin'me let a dollar's worth of pills go to waste? It's a thriftless family of married

--" You, Mose, you brack rascal! "Yes, pap? "Quit wahin' yo' s'penders crossed in front; half de time I dunno whedder yo's comin' or gwine."

-Fred-" What does the grocer do with the things he sells?" Ben-" Ties them up." Fred-" No; gives them a weigh."

-Blood and nerves are closely related. Keep the blood pure with Hood's Sarsaparil-la and you will not be nervous.
