Our readers will observe that special attention is given to examination papers in this Magazine; in many cases hints and answers are given, and for several papers solutions have been furnished to all the questions. We hope subscribers and others will show in a practical way their intelligent appreciation of the valuable work done by the editors of the different departments of **THE MONTHLY**.

WE are grateful to the kind friends of **THE**

**MONTHLY** who have, from many different places, sent us letters of approval and appreciation. If golden words were current coin, our esteemed treasurer would be able to declare a handsome dividend, and while we are much encouraged by the frequent assurances that **THE MONTHLY** is fulfilling a noble mission, we would respectfully ask our good friends to forward their subscriptions, as, though one dollar is a small amount, yet when a large number are delinquent in this small sum at one time, the effect is somewhat hurtful to the position of an educational journal, depending chiefly, as **THE MONTHLY** does, upon the support of the profession.

The best educational journal is the teacher's best friend, and we ask you, gentle reader, to aid in securing new subscribers for this educational journal, and to help the editors in getting original contributions for its columns, thus making it more and more the best.

Bound copies of this Magazine in cloth may be had from Williamson & Co., or from James Bain & Son, King Street, Toronto, for \$1.50 per copy.
