

Lenton's Fowls

Are noted winners. To my already fine yards, I have recently added the entire flock of Golden Wyandottes of C. W. Johnson, Crawford, N.J., which includes Jersey King, winner of three firsts at New York, and never beaten wherever shown, hen third at New York, and dozens of other famous winners at Philadelphia, Hackensack, Newburg, etc. Remember I also bought from M. D. Hinds his 1st hen and 3rd cock at New York, 1875. In Silver Wyandottes I have just received a fine pen from E. L. Everett, Spokane, Washington, thus making my pens of this variety equal to any. White P. Rocks (Rice's stock) and Black Hamburgs (McNeill's stock) equal to my Golden Wyandottes. Eggs, \$2.00 per 13. Bronze Turkeys of immense size and rich color. Eggs, \$3.00 per 13. Four full particulars send for catalogue. I am agent for Webster & Hannum Bone Cutters. Catalogue free.
