Estey Chapel Organs

Illustrates Offers No. 1 and 2

WE believe the Estey Chapel Organ to be the best in the world to-day. Many others are of the same belief. Everybody would be if they knew the instruments as we know them.

One might well expect to pay much more for an Estey than for any other, but by our elimination of agent's commissions and similar expenses, we are able to offer them at prices which even our competitors admit are exceptional value. The organs selected for this offer are representative, but we will gladly mail fully illustrated catalogue and complete list of prices on application.
