

More Fall Wheat Needed

The World's food supply demands more wheat.
Fall wheat, properly fertilized, will be a big paying crop.

Canada must for years continue to be Great Britain's and Europe's granary. No reason why you shouldn't go after a bumper Fall Wheat crop—and "Shur-Gain" Fertilizer will help you get it by promoting strong autumn growth which resists winter killing and gives long heavy straw and rich full ears.

Gunns Shur-Gain Fertilizers

No Investment as Good

Every \$10 for Gunns "Shur-Gain" should mean an extra profit from \$15 to \$60 per acre. And leave your soil's fertility intact. No stock or bond can touch that.

No Sense in Delay

If you want the crop—order your "Shur-Gain" now. Get the early shipping discounts. Be sure of your fertilizer when seeding time is at hand. See your dealer at once and avoid delays. Freight cars will be scarce from now on.

"Shur-Gain" Fertilizers come in mixtures to suit any crop. Forty years of success.
