

PUBLISHER'S DEPARTMENT.

ADVERTISING CHEATS.—It has become so common to write the beginning of an elegant, interesting article and then run it into some advertisement, that we avoid all such cheats and simply call attention to the merits of Hop Bitters in as plain honest terms as possible, to induce people to give them one trial, as no one who knows their value will ever use anything else.—Providence Advertiser.

ATTENTION is directed to the advertisement of the ROBINSON HOUSE in another column. It has had a long and honourable record as a Temperance Hotel; and we can cheerfully recommend it to our readers. The ROBINSON HOUSE is centrally situated; and the charges are exceedingly moderate.

A large assortment of such articles as are most suitable for presents, all of the finest finish and heavily plated, not made to special order to admit of any extra profit to the seller, but such as will reflect credit on the manufacturers and give satisfaction to the purchaser.
