MINING NEWS.

Vancouver, B.C., July 19.—Richest passenger train that ever left Vancouver, departed for Seattle this morning when 250 Garonne passengers took across line their gold from Klondike. Thos. Lippy took \$300,000; T. Andrews \$40,000, and \$1,000,000 belonging to Canadian Bank of Commerce went down to assay office, Lippy's men were all filled with revolvers and daggers on train.

GRANBY CONSOLIDATED MINING AND SMELTING CO.

Rumors have been floating round for the past ten days that the smelter will not be located at Grand Forks. We are requested to state that there is not a vestige of truth in these rumors. As a matter of fact, the Grand Fork people have not only passed the by-law, but have given all the necessary guarantees to protect the Co. Contracts have been let and the work is well under way.

Murdoch Bros., the well known C. P. R. contractors, have been awarded the contract for the grading and for the one mile of flume which is to bring the water from the rapids to the site, and about 100 men will be employed on this portion of the work alone.
