

**Presbytery of Whitby.**

This presbytery met at Oshawa on Tuesday of last week. Rev. J. B. McLarnn, Columbus, moderator. Mr. David Ormiston presented the report on "Church Life and Work." The Oshawa session reported a successful effort to prevent the running of the street railways on the Sabbath. The sessions of Dunbarton and Melville church, Scarboro, complain of the Sunday invasion of Toronto wheelmen. To the great disturbance of Sabbath rest. A resolution was adopted by the presbytery deprecating encroachment on the quiet and rest of the Lord's day and requesting the ministers to bring the claims of the Sabbath before their congregations from the pulpit. The following were appointed as commissioners to the General Assembly, to meet in Toronto in June; By rotation, the Rev. R. M. Phalen, B.A., and the Rev. A. McAulay, B.A., and Messrs. John Davidson, Ashburn, and James Munroe, Port Perry, elders; by election, the Rev. R. D. Fraser, M.A., and Mr. D. Ormiston, elder. The Rev. R. Whiteman, B.A., Port Perry, gave the report on Young People's Societies. Fourteen societies made returns, twelve of which were Christian Endeavor. There are in all 517 members—204 young men, 313 young women—326 in full communion with the church. The young people are active, both within and outside the congregation. The total amount raised was \$121, of which \$55 went for running expenses, \$74 to congregational objects, \$153 to home missions, \$31 to foreign missions, and \$77 to other objects. It was reported that Mr. John Radford, a graduate of Knox College, was appointed to Ashburn and Uica for a year, and a resolution in regard to the valuable work of their late pastor, Rev. R. B. Smith, was adopted.

**LOOK OUT FOR THEM.**

Through pedlars and other itinerant dealers, Canada is at present being flooded with bogus "gold-filled" watches. You will do wise, therefore, to purchase such goods from some reliable watchmaker in your own vicinity.

In order to protect the public in this matter, The American Watch Case Co. of Toronto, one of the largest and most reputable watch case companies in America, have given notice that all "gold-filled" watch-cases of their manufacture bear their registered trade-mark for such goods, a winged wheel (thus ) in addition to one of the following names:—"Premier," "Cashier," or "Fortune," according to style and quality. In addition to these stamps, every case is warranted by printed certificate bearing the name of the Company. When you purchase a "gold-filled" watch, be sure and look for the "winged wheel," as this reliable Company absolutely refuses to accept responsibility for any gold-filled case not so stamped.

**Life Insurance—A Sure and Certain Investment.**

"The thoughtful, prudent man, ever watchful of the interests of his family, will make the necessary provision for them before the strong hand of disease lays hold of his frame. Life insurance he will find to be the cheapest, easiest and most direct way of attaining such an end."

"Golden opportunities are wrapt up in time, and those who take advantage of them are well aware of the important relation which time bears to the actions of men." One of such golden opportunities is life insurance, which, of course, much to be obtained while the subject is in good health.

"Who is most likely to worry about the fate of his wife and children? A man carrying a life policy of a few thousand, or one who has made no provision for them!" Think over the matter, and, by all means, secure to your family a reasonable amount of life insurance in a thoroughly reliable and responsible company.

A successful and progressive Canadian company, having all its funds invested in Canada, thus helping to build up and extend

Canadian enterprise, is the one in which you should obtain insurance.
