DONALD KENNEDY

Of Roxbury, Mass., Says:

Strange cases cured by my Medical Discovery come to me every day. Here is one of Paralysis—Blindness—and the Grip. Now how does my Medical Discovery cure all these? I don't know, unless it takes hold of the Hidden Poison that makes all Humor.

VIRGINIA CITY, NEVADA, Sept. 9th, 1891.

Donald Kennedy—Dear Sir: I will state my case to you: About nine years ago I was paralyzed in my left side, and the best doctors gave me no relief for two years, and I was advised to try your Discovery, which did its duty, and in a few months I was restored to health. About four years ago I became blind in my left eye by a spotted catarrh. Last March I was taken with La Grippe, and was confined to my bed for three months. At the end of that time, as in the start, then it struck me, that your Discovery was the thing for me, so I got a bottle, and before it was half gone I was able to go to my work in the mines. Now in regard to my eyes, as I lost my left eye, and about six months ago my right eye became affected with black spot, over the sight as did the left eye—perhaps some twenty of them—but since I have been using your Discovery they all left my right eye but one; and, thank God, the bright light of heaven is once more making its appearance in my left eye. I am wonderfully astonished at it, and thank God and your Medical Discovery.

Yours truly, HASK WHITE.
