A Lumberman's Rendezvous.

A Lumberman's Rendezvous. This term might be applied to Stevens Point, located on the Wisconsin Central Lines at the gateway to the vast forest region which extends North to Lake Su-perior, a distance of 200 miles without a break, on ac-count of its vast lumber interests. The Wisconsin River to which the lumbermen have given the familiar and somewhat affectionate title of "Old Wiscons," not alone acts as a lumber feeder to the city by furnishing through its numerous tributaries an outlet for thousands of acres of pine in the upper country, but it furnishes a water power that is second only to that of Neenah and Menasha which cities are also located on the "Central." Millions of fect of lumber are cut every year, giving employment to hundreds of men. In addition to the lumber trade, it has numerous other manufactories; it is here where the large car shops of the Wisconsin Central Lines are located.

For tickets, maps. pamphlets and full information apply to G. F. McNEILL, General Passenger and Ticket Agent, Minneapolis, Minn., or to JAS. C. POND, General Passenger and Ticket_Agent, Chicago, 111.
