SELECTED FOR THE CHURCH TIMES.

THE CHOLERA.

He shall deliver thee from the noxious pestilence.
PSALMS 91-3v.

WAKE for the coming of the scourge
That sweeps the eastern sky;
The plague that with a prophet's voice
Cries out "Prepare to die!"
That dineth at the rich man's house,
That calleth for the poor,
And spreadeth out the cloth of Death
To feast at every door.

It cometh o'er land and sea
With solemn stride and slow.
It summoneth the human heart
To keep watch for its woe.
Take, take its mighty warning,
Which is mercifully given,
And call around for human help
And pray the help of Heaven!

Be sure it cometh! Do not sleep
With lazy hearts of stone,
Until your hearts are stirred to weep
For good and dear ones gone!
Forewarned should be forearmed, and now
The whisper of God's breath
Calls trusting men to weep and hope
Against the siege of Death!

Be ready in the palace,
Be ready in the cot,
Be ready with the grateful hymn
Where'er it cometh not!
Prepare to meet the slayer
With good courage and calm sense,
But people! trifle not with signs
That burn from Providence!

LANGLEY'S ANTIBILIOUS APERIENT

PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by pulling advertisements—no certificate published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Constipation, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, and are so gentle (yet effective) in their operation that they may be taken by persons of both sexes, at any time with perfect safety. Prepared and sold Wholesale and Retail at LANGLEY'S DRUG STORE, Hollis Street, Halifax.

THE FAR-FAMED MEDICINE.

HOLLOWAY'S PILLS.

SU-PRISING CURE OF A CONFIRMED ASTHMA, AF-
TER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor
Holloway, by a Gentleman named Alderton, of
Scotland Road, Liverpool.

SIR.—Your Pills have been the means, under Providence
of restoring me to sound health after five years of severe
affliction. During the whole of that period, I suffered the
most dreadful attacks of Asthma, frequently of several
weeks' duration, attended with a violent cough, and con-
tinual spitting of phlegm intermixed with blood. This so
shook my constitution that I was unfitted for any of the
active duties of life. I was attended by some of the most
eminent medical men of this town, but they failed to give
me the slightest relief. As a last remedy I tried your
Pills, and in about three months they effected a perfect
cure of the disease, totally eradicated the cough, and re-
stored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient Servant.

A PERMANENT CURE OF A DISEASED LIVER OF

MANY YEARS' STANDING.

Copy of a Letter from Mr. Gams, Chemist, Yeovil,
to Professor Holloway.

DEAR SIR.—In this district your Pills command a more
extensive sale than any other proprietary medicine before
the public. As a proof of their efficacy in Liver and Bil-
ious Complaints, I may mention the following case. A
lady of this town with whom I am personally acquainted,
for years was a severe sufferer from disease of the Liver,
and digestive organs, her medical attendant assured her
that he could do nothing to relieve her sufferings, and
it was not likely she could survive many months. This
announcement naturally caused great alarm among her
friends and relations, and they induced her to make a trial
of your Pills, which so improved her general health that
she was induced to continue them until she received a per-
fect cure. This is twelve months ago, and she has not
experienced any symptoms of relapse, and often declares
that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,

Nov. 23rd, 1852.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM
AFTER BEING DISCHARGED FROM THE HOS-
PITAL INCURABLE.

Copy of a Letter from W. Moon, of the Square, Win-
chester.

To Professor Holloway,

SIR.—I beg to inform you that for years I was a sufferer
from Chronic Rheumatism, and was often laid up for
weeks together by its severe and painful attacks. I tried
every thing that was recommended and was attended by
one of the most eminent Surgeons in this town, but ob-
tained no relief whatever, and fearing that my health
would be entirely broken up I was induced to go into our
County Hospital, where I had the best medical treatment
the Institution afforded, all of which proved of no avail,
and I came out no better than when I went in. I was
then advised to try your Pills, and by persevering with
them was perfectly cured and enabled to resume my oc-
cupation, and although a considerable period has elapsed,
I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,

(Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER
SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole,
dated February 14th, 1853.

To Professor Holloway,

SIR.—I have much pleasure in informing you of a most
surprising cure of Dropsy, recently effected by your valuable
medicine. CAPTAIN JACKSON, of this place, was afflicted
with Dropsy for upwards of eighteen months, to such
an extent that it caused his body and limbs to be much
swollen, and water oozed as it were from his skin, so that
a daily change of apparel came necessary, notwithstanding
the various remedies tried, and the different medical
men consulted, all was of no avail, until he commenced using
your Pills, by which, and a strict attention to the printed
directions, he was effectually cured, and his health per-
fectly re-established. If you deem this worthy of pub-
licity, you are at liberty to use it.

I am, Sir, yours respectfully,

(Signed) G. BRIGGS.
