LOCAL ARRANGEMENTS.

The meetings will be held in the various rooms of the Medical Faculty of McGill University.

PROGRAMME.

There will this year be two sections of the Association, one mainly Medical, the other mainly Surgical. The Address in Medicine will be given by Dr. Wm. Osler, of Johns Hopkins University, Baltimore; that in Surgery by Dr. John Stewart, of Halifax.

In addition to this, on one or two days of the meeting clinics will be held in the Hospitals at such times as will not interfere with the general programme of the meeting, and will yet enable all those who care so to do, to see or to exhibit living cases or specimens which may be of interest to the members.

PATHOLOGICAL MUSEUM.

The Museum will this year be one of the features of the meeting, and circulars have been issued by the Secretary of the Museum, Dr. M. E. Abbott, announcing the intentions of the Committee. Any contributions in the way of specimens will be gratefully received by the Secretary, and every care will be taken of specimens lent and as soon as the meeting is over they will be repacked and reshipped to the owners by a responsible person. Specimens for the exhibition should arrive not later than September 6th. The Committee is desirous more particularly of obtaining series of specimens illustrating diseased conditions of the liver, gall bladder and pancreas. To all those who may not have received circulars containing details of the Pathological Exhibit, the same may be had on application to Dr. M. E. Abbott, McGill Medical College, Montreal.

The Museum of Commercial Exhibits, which is under the special charge of Dr. J. W. Stirling, 255 Mount Street, Montreal, will be found in the most suitable part of the Medical Buildings, the space allotted therefor occupying one of the main halls of the building. Many applications have been received from various manufacturers and instrument dealers, so that a large and interesting exhibit is expected.
