HOSPITAL AND TRAINING SCHOOL NOTES.

The classes and lectures commenced the first week in October. We have been able to have the operating room painted, and it looks very fresh and nice. Mrs. Geo. Booth has promised aseptic cases for dressings, etc. When all is finished, this room and the Emergency Ward will be very complete. The Young Ladies' Auxiliary have presented us with a beautiful portable bath, to be used in typhoid cases.

Through the kindness of Mrs. Christie and Mrs. Palmer, the large Gynecological Ward has been renovated as to tables, chairs and curtains; the walls and ceilings painted a pretty grey.
