"WASHED AWAY AT ST. LEON."

Had Sciatica and Rheumatism very bad for over a year; pains day and night; could not rest or sleep; often confined to bed. Tried everything I could find, but got no relief. Went to St. Leon Springs and got the disease **Washed Clean Away.** That was two years ago, and have never had a twitch of the trouble since.

SENATOR C. A. BOULTON

This handsome gentleman is the leader of the Canadian Free Traders, a party destined to grow to magnificent proportions in the near future. Senator Boulton has decided to resign his seat in the Upper Chamber (if he has not already done so) and to take the field in Marquette, Manitoba, on the platform of British Free Trade. His present attitude is the result of an intelligent and patriotic study of the needs of the country. Though for a long time a supporter of the National Policy, he has come to see that what Canada requires is more freedom, and not more "protection." Study has led him to the conclusion that a country cannot tax itself into prosperity, and he is now ready to make a considerable sacrifice in order to spread the truth he has received. In resigning his Senatorship he gives up a comfortable seat and its accompaniment of \$1,000 per year for life, and although he is pretty confident of election to the Commons, it is by no means a sure thing. The British policy ought to commend itself to our Old Flag Government, but that organized hypocrisy will do its best to defeat him in the interests of the Red Parlor. Whatever his fate on this occasion, we feel certain there is a bright future before this earnest and patriotic gentleman in Canadian public life.
