QUACKS CONFOUNDED.

Rheumatism and Gout have heretofore been considered by the ordinary practicing physicians as incurable diseases, and the query has often been propounded, of what benefit to the helpless sufferer is all their pretended science; and what doth it avail, —their long and tedious course of study—if they are obliged to acknowledge that all their resources are to no account when called upon to prescribe for a patient suffering from chronic rheumatism. The great trouble lies in the fact that the mode of investigation is prescribed within certain boundaries and limitations compelling the student to tread in certain well-worn paths, or suffer disgrace and excommunication from that highly respectable order of mortals known as the Medical Faculty.

It was not so, however, with the proprietor of the Diamond Rheumatic Cure, for his high standing in the profession, and the learning and science of an able mind, quickly compelled the osseous to succumb, and now physicians generally, all over the world, where this medicine is introduced, admit of its wonderful efficacy, and often prescribe it for their patients.

READ WHAT THE PEOPLE SAY.

Messrs. DEVINS & BOLTON: Dear Sirs—I with pleasure concede to the Agents wish that I give my endorsement to the immediate relief I experienced from a few doses of Dr. Miller's Diamond Rheumatic Cure, having been a sufferer from the effects of Rheumatism, I am now after taking two bottles of this medicine, entirely free from pain.

Messrs. DEVINS & BOLTON: Gentlemen—I have suffered much with rheumatism, so much so that I was obliged to stay at home a certain time. I heard Mr. O'Neill, of the St. Lawrence Hall, speaking of your remedy. I asked him to get me a bottle immediately, which he did with great kindness. To my great surprise that bottle has cured me entirely, and I never felt better in my life.

Messrs. DEVINS & BOLTON: Gentlemen—Having been one of the many martyrs of rheumatism that I meet on my every day rounds, I was induced to try the celebrated DIAMOND RHEUMATIC CURE. I had suffered the last five or six weeks the most terrible acute pains across my loins and back, so severe indeed that I could hardly walk with the help of a stick.

Dear Sir—After suffering for the past two years with Rheumatism, I can truly say that, after using two bottles of the DIAMOND RHEUMATIC CURE, I find myself free from that terrible disease. I have used all kinds of remedies and Doctor's prescriptions without end, but your simple remedy surpasses all. The effect upon me was like magic. I take great pleasure in recommending your medicine to all.

This medicine is prepared by a careful experienced and conscientious physician, in obedience to the desire of numberless friends in the profession, in the trade and among the people. Every bottle is warranted to contain the full strength of the medicine in its highest state of purity and development; and is superior to any medicine ever compounded for this terrible complaint.

In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away, as surely it is by the purchase of useless prescriptions.

This medicine is for sale at all druggists throughout the Province. If it happens that your Druggist has not got it in stock, ask him to send for it to

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been uniting in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-developed play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to provide for the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted.
