

THE LABOUR QUESTION.

Our statement (if we have any) and our philanthropists (we have some) have in this question to the Gordian knot of our present commercial distress. Keep the labouring man well employed and well paid, and the rest of his countrymen will back in the sunshine of his happiness. The secret of the commercial success of any young country lies in the employment of its productive working classes. Find employment and good pay for our idle and destitute fellow-countrymen and there will be no complaining among merchants and bankers.

Query.—Can employment for all be obtained by increasing the Tariff on such things as we can manufacture?

Answer.—Protection is our only salvation! Let us have it at any price, and thousands will be able to avail themselves of the cheap Fall and Winter Goods now offered at CHEAPSIDE.

ST. PATRICK'S BENEVOLENT SOCIETY.

At the regular monthly meeting of the above Society, held on Thursday, August 2, in their hall, occasion was taken of this first opportunity that presented itself to express the feelings of the members in regard to the late disturbances, when the following resolutions were passed:—

Resolved, That the Society desires to place on record their entire approval of the course adopted by the several Irish Catholic societies in passing resolutions upholding the conduct of His Worship the Mayor in refusing to call on the military authorities on the 12th ult., and denouncing the action of those magistrates who unnecessarily called out the volunteers on the occasion of the funeral of T. L. Hackett.

Further, That the Society, composed as it is of workmen of all branches of labor, and residing in all parts of the city, have still greater reason to thank His Worship for the course pursued by him, thus preventing a possible conflict, which would, unless through Divine interposition, add several to an already long list of members claiming support through sickness and accident, as well as widows and orphans, in the event of any member or members losing their lives.

YOUNG IRISHMEN'S LITERARY AND BENEVOLENT ASSOCIATION.

This Society gave a musical and dramatic entertainment on Monday night in their hall, which was on the occasion of the O'Connell anniversary. It was well attended. Present on the platform were: Mayor Beaudry; Rev. Fathers Reilly and O'Rourke; the President, Mr. Brennan, and several others. The songs were all good, and the speeches all good and short. The President said he hoped the French and Irish would become more united each succeeding day. Mr. J. J. Curran and Mayor Beaudry also spoke. Every one was satisfied.

CITY ITEMS.

CATHOLIC UNION.—No. 15 Branch of the Catholic Union was formed last week.

DENIAL.—The Star denies having discharged a printer because he belonged to the Catholic Union.

ST. PATRICK'S SOCIETY.—At the meeting of the St. Patrick's Society on Monday night, Mr. Devlin, M. P., was in the chair.

CORRECTION.—In our last issue we had in the advertisement in our eight page (at present on the 7th) the name Gordon for Jordan, and we omitted the number of the establishment which is 574 Craig St., nearly opposite Cotte.

HACKETT.—A number of the jurymen in the Hackett case have petitioned the Government for a re-opening of the investigation. Another number of the jury have petitioned against it. The latter think the agony has been sufficiently prolonged.

IMPOSING FUNERAL.—Patrick Madigan belonging to No. 3 branch of the Catholic Union was buried yesterday, the members of this now formidable association turning out to the number of seven or eight hundred. The Shamrock band played the "March in Saul" and the whole ceremony was solemn and grand in the extreme.

EXCURSION.—The St. Patrick's National Association has arranged for an excursion trip to New York on the 11th inst., to receive the Irish Canadian pilgrims on their arrival. The train will leave the Bonaventure station at 7.30 on Saturday morning, arriving at Saratoga at 3 p.m., where the excursionists will remain 8 hours. Return tickets can be had for \$15, good for thirty days. Tickets can be had at Mr. O'Brien's office, St. James street.

ANNOYING.—It would truly seem as if the Montreal authorities were paralyzed through fear of the Orangemen. Every one bows down before the brethren and cannot see they are more ridiculous than formidable. When Mr. Barry, on behalf of the prosecution, was examining witnesses in the volunteer case last week, one of the prisoners spoke to him in a most insulting manner. Mr. Brehaut only smiled when Mr. Barry claimed the protection of the Court.

THE DISCHARGED CATHOLIC UNION MAN.—MONTREAL, August 4th, 1877.—To the Editor of the True Witness:—Sir, In reference to a city item in your last issue offering an apology to Mr. Beckett for a mistake made in a previous issue, I beg leave to state that an apology was perfectly unnecessary, as the man was actually discharged for absconding himself on the twelfth of July. I am all the more entitled to be an authority on this subject, as I unfortunately happened to be the individual referred to. I am, Sir, yours sincerely, EDW. FITZGERALD, No. 22 Shaw Street.

DIGORY.—In the nature of things there are not many Catholic papers in the Mechanics' Reading Room, but even the few, there are too many for the taste of the bigots. Late numbers of the True Witness have been so defaced that the librarian had to take the papers off the file, and call attention to the notice offering \$25 reward for any one found defacing or destroying journals. Some folks cannot bear the light, although they are the "champions of civil and religious liberty." We take pleasure in stating that the librarian has done all he could to discover the perpetrators of this pitiful piece of Young British spite.

YOUNG IRISHMEN'S L. & B. ASSOCIATION.—A meeting of this society was held on Friday evening for the purpose of receiving a report of the committee which had been chosen to ascertain the names of the Irish Catholics who had been discharged by their employers for absconding themselves on the 12th of July last. There was a large attendance of the members, as well as representatives of other societies. The committee reported that employment had been found for a great many, and everything in their power was being done to procure employment for the remainder.

ST. ANN'S TOTAL ABSTINENCE AND BENEFIT SOCIETY'S PIC-NIC.—This Society and its friends spent a very pleasant pic-nic on St. Helen's Island on Saturday afternoon. There could not have been less than 3,000 people present when the sports were in full swing, and altogether it was a success. The sports were of a most interesting nature and the prizes keenly contested. Some beautiful prizes were given, amongst others, an elegant silver medal by Mr. Edward Murphy, a silver medal by Mr. Desjardins, M.P.P., a silver cup by Mr. M. Feron, a silver hunting case watch by Mr. McGauran, M.P.P., and a similar gift by Dr. Hingston, as well as a time-piece by the contractor of the Inland Out. There were several money prizes besides, and other valuable incentives to emulation.

CANADIAN ITEMS.

WILLIAMSTOWN CONVENT.—In our last edition, in our report of the celebrated Williamstown Convent of Notre Dame, the words "muscle" or "mettle" was set up by our intelligent commentators, whereas the expression should have been "mettle" it not obliterated on their utmost stretch of their intellect.

ST. VINCENT DE PAUL, August 6.—The stables at St. Vincent de Paul were destroyed by fire last night. All the agricultural instruments, etc., have been destroyed, and some fourteen horses, two cows, and all the hay and summer and winter vegetables. The loss is estimated at \$3,000, and the fire is supposed to be the work of an incendiary.

CUSTOMS ITEMS.—Mr. Archibald Moir has been appointed Appraiser in the Examining Warehouse, in place of the late Mr. David Mackay—H. A. Lemieux, Bond Inspector of the Port of Montreal, on the occasion of his appointment as Collector of Customs at Three Rivers, was presented by the Lockers' Department, of which he was head, with a beautiful ebony walking cane with gold handle.

ST. JOHN'S FIRE.—Investigation into the origin of the big fire continues. To-day, evidence, was given to the effect that much of the destruction was caused owing to the gas from the company's work not having been let off properly, and that the fire, which was believed to have been the work of design, which fire broke out while the conflagration was raging in another part of the city, must have been caused by gas.

A HORSE DROWNS ITSELF.—At a quarter to three Saturday afternoon a horse attached to a cart, belonging, so the driver afterwards stated, to Mr. Peter McAuley, butcher of Ann street was left within about 30 feet of Lock 1, while the boy in charge, a son of the owner, delivered some meat on the tug "C. J. Brydges." The reins were too tight and caused the horse to back into the lock; horse and cart sank like a stone, and afterwards it took some trouble to find the dead horse and the cart. The driver felt very bad at his great loss.

RAILWAY ACCIDENT.—At Rouge Point on Friday at six o'clock, a.m., when the iron train was shunting cars from the main line near the ballast pit siding the gravel train came from the pit, where there is a very heavy grade, ran into the iron train, throwing off fourteen cars, smashing badly the gravel engine and killing instantly the conductor of the gravel train, Caliste Riopelle, of St. Scholastique. The rest of the trainmen avoided being injured by immediately jumping of the train.

TORONTO.—Voting on the Dunkin Act began on Monday. Mayor Morrison will act as returning officer, and the poll will be open from 10 till 5. It is estimated that not more than 400 can vote in one day, and it will consequently be some days before a fair approximation of the result can be arrived at. There are about 14,000 votes in the city. Nearly all the ministers in the city will preach to-morrow on temperance. Thus far no clergyman except Archbishop Lynch has opposed the Dunkin Act.

LEX TALIONIS.—Mr. Brehaut is determined to follow the Orange hacks who howl for vengeance, never mind justice, so long as some one is sacrificed. He committed the undermentioned for trial on Saturday refusing bail excepted for Fitzpatrick. This afternoon Mr. Brehaut, Police Magistrate, committed Patrick McAllister and Michael Ryan, accused of shooting at W. H. Elliot on the 16th of July, with intent to kill and murder, for trial before the Court of Queen's Bench, Patrick Fitzpatrick will probably be on Monday sent for trial before the Court of Queen's Bench, but in his case bail will be accepted.

THE GOVERNOR-GENERAL'S VISIT.—Preparations are progressing for Lord Dufferin's reception: triumphal arches are being erected and buildings decorated. It is uncertain whether the party arrives on Sunday or Monday. The following is the programme:—Tuesday, presentation of an address by the Mayor and citizens. Wednesday, a civic holiday, lacrosse and base ball matches and public games. Thursday, horse racing, exhibition of lassoing cattle, and a real Buffalo hunt. Friday, Lieutenant-Governor's ball in the evening, and concert by the choir of St. Boniface. Monday, opening of the Rifle Association matches. Tuesday, civic ball to their Excellencies.
