THE TRUE WITNESS AND CATHOLIC CHRONICLE. JANUARY 30-1863.

was their answer; 'he said he did not know the young lady hisself, but he had a friend who knew the lady's mother incommonly well, and it was quite true;'so that we suspect some of the Cockney police must have often amused themselves by practising on the credulity or simplicity of country folks.- Gloucester Journal.

UNITED STATES.

The 109th Illinois regiment, stationed at Holly Springs, has mutinied, and deserted to the Confederates; two other regiments from South-western Illinois are spoken of as likely to follow suit.

The Legislature of Illinois and Pennsylvania have hills before them forbidding negroes to live within) the State, under pain of fine and imprisonment. If the fine is not paid, the negro to be sold for the shortest term the buyer wil pay the fine and costs for.

The Governor of Connecticut has been obliged not only to abandon all attempts to enforce the draft, but to discontinue all proceedings against the conscripts who deserted, or refused to serve after being drawn, and against deserters generally. The following is the order issued on the 20th by the Adjutant General :- ' In view of the small number of men required to fill the quota of this State under the two calls of the President for three hundred thousand men each, and, judging from present indications, the probability the requisite number will soon volunteer and join the regiments now in the field, all persons who by enlistment or draft owe service to the State, and who have not been arrested, or who have not been mustered into the service of the United States, are hereby discharged from such service, and all warrants issued by authority from this department for the arrest of such persons are hereby revoked.'

The New York Tribune's correspondent gives the following statement of the feeling in Gen. Burnside's army on receiving orders for another advance :- An unusuelly serious feeling pervades the officers of the army. It is felt to be a very critical period. The tone of the troops has been despondent for the last two weeks, and another decided repulse would bring results unpleasant to cortemplate. I believe the roops will do their duty; but without any of the run and animation which springs from enthusiasm -We have men enough to succeed," remarked Gen. Hooker to-day, 'if our force cannot, 5 millions could not.' The army is doubtless strong enough in mere numbers. God grant that it may be strong enough in spirit and confidence. In spite of all that has beed said of their demoralisation, the troops marched along in the crisp air this morning right blithely and cheerily.

SCROPULA AND SCROPULOUS DISEASES.

SUBOFULA AND SCHOFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine. "I have sold large quantities of your SAIBAPAH-ILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the me-dicinal virtues of your SARSAPARILLA. My daugli-ter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."
From Mrs. Jane E. Rice, a well-known and much-esteemed ledy of Demisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very thoublesome. Nothing afforded any relief until we tried your SAR SAPARILLA, which soon completely cured her."

"I had for several years a very troublesome hu-mor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SAESAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new ekin began to form under the blotches, and continued until my face is as smooth as anybody's, and 1 am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SAESAPARILLA." Erysipelas-General Debility - Purify the

From Dr. Robt. Sation, Houston St., N. Y. Dr. AYER: I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an at-tack of Malignant Erysipelas with it. Eupplied to the profession as well as to the people." From J. E. Johnston, Esc., Wakeman, Ohio. "For twelve years 1 had the yellow Erysipelas on my right arm, during which time I tried all the cel-chrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were co bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and come of your PHLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all." From Hon. Henry Monro. M. From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parlianent. "I have used your SAUSATABILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

Scald Head, Soro Eyes. From Marvey Sickler, Esq., the able califor of the Tunckhannock Democrat, Pennsylvania. "Our only child, about three years of age, was 24-tacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent is eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any ap-parent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Hav, ing tried every thing else we had any hope from, we began giving your SANSAFANILLA, and applying the iodide of potabal lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the eccond. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die." Reading. Pa., 6th May, 1861.

Reading, Pa., 6th May, 1861. J. C. AYER, M. D. Dear Sir : I have a long time been allieted with an *eruption* which covered my whole body, and suffered dread-fully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SAPSA-PARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cared me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief.

Publishers' Advertisement:

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded.

The Features which distinguish it from all other Prayer Books are as follows :

I. It contains the principal public and private Devotions used by Catholies, in very large type.

II. The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book.

III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book.

IV. The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotype plates, making it altogether the handsomest Prayer Book published.

It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SARSAPARILLI. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the *kunior* is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SARSAPARILLA. Charles P.
