THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the German Reformed Messrs. at Chambersburg, Penn:—

A BENEFACTRESS.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are sure that we will teach our 'Sisy' to say, 'A Blessing on Mrs. Winslow,' for helping her to survive and escape the rigidity, colic and teething stage. We confirm every word set forth in the Paracetic. It performs precisely what it professes to perform every part of it—nothing less. Away with your 'Cordial,' 'Paracetic,' 'Drops,' 'Laudanum' and every other 'Narcotic,' which the babe is drugged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists. Be sure and call for

"MRS. WINSLOW'S SOOTHING SYRUP." All others are base and dangerous imitations. April, 1868. 2m

A PUBLIC BENEFIT.—Nothing can be of more importance to the welfare of our community, than the health of our children; and this depends on the future of our national greatness, and in a large measure, the enjoyment of our own lives. We therefore claim, that in Devins' Vegetable Worm Pastilles, we have a great public benefit, a remedy so safe, reliable, and so agreeable, which gives health and strength to the weak and sickly child, brightens to the eye, bloom to the complexion, and plumpness to the form. But parents should be careful to procure the genuine Pastille on each one of which is stamped the word "Devins," all others are useless. Prepared only by Devins & Bolton, Chemists, Montreal.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation for this excellent medicine, which is derived from a natural source, and free from all impurities, has been so widely and so justly spread, that it is now known in every civilized country. The public do not need to be informed that it is in most cases a specific and absolute remedy. It is so easy to keep it in the house, and so safe, that it is a most valuable remedy. It is a most valuable remedy. It is a most valuable remedy. It is a most valuable remedy.

St. Anthony's Fire, Rye or Erysipelas, for Fever, Salt Rheum, Scald Head, Ringworm, Scars and Eruptions, and other eruptions or visible forms of the disease caused generally by the scrofulous infection, the Sarsaparilla is the most efficient as to be indispensable. And in the more complicated forms, as in Dyspepsia, Dropsy, Heart Disease, Fiss. Erythema, Nephritis, and other affections of the cutaneous and mucous surfaces, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces a lasting cure.

The Sarsaparilla root of the tropics does not by itself achieve these results. It is blended with extracts of other medicinal plants, and is thus rendered more potent in its action of healing virtues. No other is so potent in its action of healing virtues. No other is so potent in its action of healing virtues. No other is so potent in its action of healing virtues.

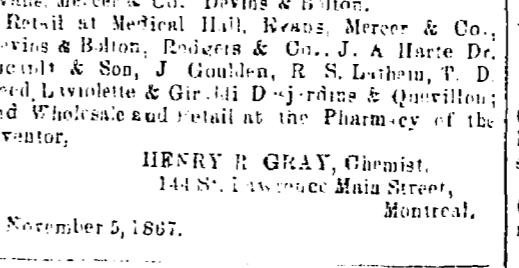

Ayer's Ague Cure, For Fever and Ague, Intermittent Fevers, Chills and Fever, Biliousness, Headache, Stomach Troubles, Nervousness, and all the affections which arise from malarious, marsh, or miasmatic poisons. As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, or any other poisonous mineral substance, whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of medicine. Our friends are soothed by the action of the Sarsaparilla, and receive the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacquainted persons, either resident in, or travelling through miasmatic districts, will be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world. PRICE, \$1.00 PER BOTTLE. HENRY SIMPSON & CO., Montreal, Agents for Lower Canada.

CHOLERA. A CERTAIN CURE FOR THIS DISEASE MAY BE FOUND IN THE USE OF DAVIS' PAIN KILLER. VEGETABLE PAIN KILLER. MANHATTAN, KANSAS, April 17, 1866. Gentlemen—I want to say a little more about the Pain Killer. I consider it a very valuable Medicine, and always keep it on hand. I have travelled a good deal since I have been in Kansas, and never without taking it with me. In my practice I used it freely for the Asiatic Cholera in 1849 and with better success than any other medicine. I also used it here for cholera in 1855, with the same good results. Yours truly, A. HUNTING, M.D.

I want to say to you that the Cholera has prevailed here of late to a fearful extent. For the last three weeks, from ten to fifty or sixty fatal cases a day have been reported. I should add that the Pain Killer sent recently from the Mission House has been used with considerable success during this epidemic. If taken in season, it is generally effective in checking the disease. REV. CHARLES HARDING, Shillapore, India.

This certifies that I have used Rev. Davis' Vegetable Pain Killer, with great success, in cases of cholera, infantum, common bowel complaint, bronchitis, coughs, colds, &c., and would cheerfully recommend it as a valuable family medicine. REV. JAS. C. BOOMER.

Dear Sirs—Having witnessed the beneficial effects of your Pain Killer in several cases of Dysentery and Cholera Morbus within a few weeks past, and deeming it an act of benevolence to the suffering, I would most cheerfully recommend its use to such as may be suffering from the aforementioned or similar diseases, as a safe and effectual remedy. REV. EDWARD K. FULLER.

Those using the Pain Killer should strictly observe the following directions:— At the commencement of the disease take a teaspoonful of Pain Killer in sugar and water, and then bathe freely across the stomach and bowels, with the Pain Killer clear. Should the diarrhoea and cramps continue, repeat the dose every fifteen minutes in this way the dreadful scourge may be checked and the patient relieved in the course of a few hours. N.B.—Be sure and get the genuine article; and it is recommended by those who have used the Pain Killer for the cholera, that in extreme cases the patient take two (or more) teaspoonfuls, instead of one. The Pain Killers sold everywhere by all Druggists and Country Store-keepers. PRICE, 15 cts., 25 cts. and 60 cts. per bottle. Orders should be addressed to PERRY DAVIS & SON, Manufacturers and Proprietors, MONTREAL, Q. B.

All others are counterfeits. WINTER FLUID.—For chapped hands, lips, and all roughness of the skin, this preparation stands unrivalled. Hundreds who have tried it say it is the best thing they ever used. Gentlemen will find it very soothing to the skin after shaving. Price 25c per bottle. HOMOEOPATHY.—The Subscriber has always on hand a full assortment of Homoeopathic Medicines from England and the States; also, Humphrey's Specifics, all numbers. Country orders carefully attended to.
