

TRADE MARK

# 'Canada's Pride'

TRADE MARK

**M**APLE LEAF LEAD PENCIL has points of superiority that make it a favorite with all users. Its lead is thicker and smoother than in the ordinary pencil. The point is guaranteed never to break. It is a trifle larger than the ordinary pencil, and its round form doesn't cramp the fingers. It is made in six degrees, BBB to HHHH. 'Canada's Pride' will improve the efficiency of the service.

3 Samples sent on receipt of 10c.
