

- Castings: Aimed at LDC's; significant Canadian exports affected (\$150 million) including Auto Pact parts; injury determination due approximately April 4;
- Apple Juice: Aimed at Argentina, West Germany, Austria; Canadian exports at risk total only \$3 million; injury determination approximately May 1.
- Fork Lift Arms: This petition is aimed at Canada; principal Canadian producer and exporter would be very hard hit in event of trade restrictions; USITC injury determination approximately June 1.

In the case of a 201 action the President has discretionary authority to accept, reject or modify any USITC recommendation for import relief.
