

The spraying program begun in 1974 is expected to continue until 1993, and will cover a 764,000 km² area in parts of Benin, Ghana, Ivory Coast, Mali, Niger, Togo and Upper Volta. It is a joint undertaking by WHO, the U.N.'s Food and Agriculture Organization, the U.N. Development Program, the World Bank, and various other donors, including Canada.

Canadian Commercial Corporation contracts with foreign governments and international agencies on behalf of Canadian suppliers of goods and services. In 1981/82, CCC achieved sales of over \$500 million, involving 435 Canadian firms and more than 50 foreign customers.
