

No. 86

JOURNALS
OF THE
HOUSE OF COMMONS
OF CANADA

OTTAWA, WEDNESDAY, FEBRUARY 5, 1969.

2.00 o'clock p.m.

PRAYERS.

Pursuant to Standing Order 39(4), the following three Questions were made Orders of the House for Returns:

No. 697—*Mr. Mazankowski*

Did the federal government make a financial contribution to the sending of competitors to the Olympic Games, Mexico '68 and, if so (a) how many competitors participated in the Olympic Games '68 (b) what are the names and addresses of these competitors (c) what was the duration of their stay in Mexico, individually (d) what was paid to each competitor for travelling allowances, per diem expenses, etc. (e) what was the total cost of sending these competitors to Mexico (f) what Department was charged with this expense?

No. 848—*Mr. Schreyer*

1. Does any department or agency of the Government of Canada prescribe radiation guide numbers or levels which must be complied with by operators of microwave relay towers?

2. If so, what department or agency does so for purposes of applying standards for safety to protect public health and protect against loss by agricultural operators?

3. What are the present radiation guide levels or standards in force at the present time, showing the power output at each level of frequency?

4. When were these guide levels or standards first adopted and have any revisions been made since their adoption?

5. If such revisions have been made, for what reason and at what dates?
