

Eugene Forsey (on your
Economics staff) will meet
me at the station. His
vacation home is in Ottawa
but he is ~~coming~~ coming
back to Montreal on the
morning of the 25th to his
rooms - apt. 36

424 Sherbrooke St. West.

You have probably not met
him yet. I am planning
to sleep either at the Ritz
or the Windsor. Mrs. Raleigh
Parkins tells me that you
and the family may be
at the latter hotel; if you
are I should choose it, so as
to see as much of you all
as possible.

I hope you are not too overwhelmed
with getting settled.

With warmest regards to you all

A. Elizabeth Cerraces
