

My dear Sir
Bridgewater, I am very glad
to hear that you are
is in quest of a cure for Cancer in that our Family settled in
New York state from Holland and have had a remedy for keeping
Cancer down which I tried to give to the world through a Doctor of
our University but he replied he used the King's in my time
I have three different cases which I have ^{kept} down and have no doubt
they would have broken out as Cancer as my Grand Mother had
the same symptoms and kept them down with this old Dutch remedy
which has been in our Family for over Three Hundred years I have
used it on three different occasions with the best result with outward
applications for some time I have been taken it inwardly the result
as I am nearly eighty years old and alive and working yet a cure
I was helping build a Saw Mill some three hundred miles north being
in Camps sailing Salt Port I had the use of my left arm a small
spot formed on the Thumb stinging sensations like needles darted
my arm toward my heart had no use of my arm I went home to my
remedy applied this salve in six hours felt great relief in twenty
four hours was freed from all pain had but one more eruption
of the tick on my face I put on an application of the salve
and have been taken the remedy internally with the result no
more painful spots threatening to break out it may be doubted that
there ever Cancer symptoms but I was always fearful that they
