dlip "As to what you have thought fit to declare, Sir, in your "letter concerning your intentions to fupport the *Indians* in acts of hoftility againft us, unlefs we give them peace upon "the terms there preferibed by you, and the danger which "the frontiers of the *Maffachufetts Bay* in particular may be "in, unlefs you have a fpeedy and pofitive anfwer upon this "head; what I have to fay in anfwer is, that I fhall be forry for a new rupture between us, and arn very defirous to have "perfect tranquillity reftored to the province under my go-"vernment; but if the latter is not to be the cafe, and you "think fit to make yourfelf a party in an *Indian* war againft us; I doubt not but his majeftys fubjects upon this contiinent will be able to make juft reprifals upon *Canada*, when "it fhall be his majeftys pleafure to have them do it.

" I can't avoid expressing great furprize at the other parts of your letter, whereby you take upon you to call Mr. *Mafcarene* to account for expelling the missionary from *Minas*, for being guilty of fuch treasonable practices within his majestys government as merited a much severer punishment than that of expulsion from the province."

" The right you claim of fending miffionaries from France to refide among his majeftys subjects of Nova Scotia as their priefts, and in confequence of that your forbidding his majeftys governor to make any alteration in the flate of religion and its minifters there, is ftill more extraordinary; and I must not omit upon this occasion to remark to you that I think the letter which the bishop of Quebec lately wrote to Mr. Mascarene concerning his intended visitation of his majeftys subjects in that government in scure of fouls, and within his jurifdiction, was likewise an extraordinary attempt, and can't be admitted." 75
