

made through the township, from the Western Road to Bear Creek. There is one grist mill and one saw mill in Camden.

Population, 316.

Ratable property in the township, £4029.

CAMDEN EAST.

A Township in the Midland District ; is bounded on the east by Portland ; on the north by Sheffield ; on the west by Richmond ; and on the south by Ernestown and a small portion of Fredericksburg. In Camden 70,207 acres are taken up, 19,248 of which are under cultivation. A lake, called Mud Lake, is situated a little east of the centre of the township ; and one, called Vardy Lake, in the south-east corner. A mill stream runs through the south of the township, on which are several grist and saw mills. There is a quarry of fine marble near the centre of the township. Camden is well settled, and contains some good farms. The land varies in quality. Timber—hardwood, intermixed with pine. The village of Newburgh is situated in the south-west of the township ; and Clark's Mills a little south of the centre of the township. There is a Presbyterian Church a little west of Newburgh. There are four grist and fourteen saw mills in the township. Six hundred acres of Crown lands are open for sale in Camden, at 8s. currency per acre.

Population, 4788.

Ratable property in the township, £56,195.

CANASTOTA RIVER.

A branch of the Grand River ; takes its rise in the lands west of Wellesley and Peel, runs through the south-west corner of Peel, and the north-east corner of Wellesley, and joins the Grand River in the south-east of Woolwich.

CANARD'S RIVER.

A Stream ; different branches of which take their rise in the townships of Sandwich and Colchester ; it runs through the township of Anderdon into the Detroit River. In Anderdon, a branch of it unites with a creek, which then runs through the township of Malden into Lake Erie.

CANBORO'.

A Township in the Niagara District ; is bounded on the east by the township of Moulton ; on the north by Caistor and a small portion of Gainsborough ; on the west by Seneca and Cayuga ; and on the south by the Grand River. In Canboro' 15,804 acres are taken up, 3876 of which are under cultivation. The land on the banks of the river is generally rolling. Timber principally hardwood, amongst which is fine white oak of a large size. A branch of the Welland River flows through the north of the township. There is one grist mill in the township.

Population in 1841, 663.

Ratable property in the township, £11,430.

CANBORO'.
