

TORONTO, *13th* Sept, 1863

Mr Geo Steeman

Brewer.

Guilford

SIR,—

I beg to inform you that I have on hand and for sale
a superior article of

PATENT PORTER MALT,

Such as used by the Dublin Porter Brewers for its coloring and peculiarly
excellent flavoring qualities. Also, an invaluable article of

SORTED MOSS,

Which clarifies beautifully, and adds fullness and roundness and apparent
body to Ales and Porters, and does not, as Isinglass and other clarifiers,
implant the germ of acidity, or impart a disagreeable tartness. I am
likewise supplied with

A CLEAN, OILY, AROMATIC HOP,

adapted to the Brewing of Pale and Amber Ales, and "NORTH CLAYS,"
suited to the Brewing of Single and Double Stout.

Soliciting the favor of an order, and hoping to deserve your
patronage,

I am respectfully,

MORGAN O'FLAHERTY.

PATENT MALT, \$1.25 per bushel, of 22 lbs.

S. Moss, 25 cents per lb., (90 and 100 lb. packages).
