Ross Liberal Club.

There was a large attendance at the regular meeting of the Ross Liberal Club last evening. President Dr. E. He expressed his views strongly on the question of government ownership of rall-ways and his remarks were warmly received.

A Magic Pill.—Dyspepsia is a foe with which men are constantly grappling, but cannit exterminate. Subdued, and to all appearances vanquished in one, it makes it appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes and cause much suffering. To these, Parmelee's Vegetable Pills are recommended as mild and sure.

## A Wig

You don't see very many wigs nowadays. People have been educated how to care for the hair. That's one reason. Another is, Ayer's Hair Vigor makes wigs unnecessary. Nothing its equal for feeding the hair.

my hair grow so that last winter I did not use my wig at all." Sarah F. Lewis, Pittsburg, Pa.
