Death of Judge Schultz

He was Sam Schultz 26 years ago, the

visited the old scene last month as his
father, Judge Samuel Davies Schultz of
the county court of Vancouver, B.C., won
his sudden death while playing tennis
on Saturday just reached the city yes-

to have been the only Jew on the bench
in Canada. The late Judge was a gradu-
ate of Osgoode Hall, an arts graduate of
Toronto University, and a member of the
first and last amateur baseball player
he pitched for Varsity with notable suc-
cess those days when there were few who
could curve the ball, and Sam had every-
thing, including a fast fastball, and when
he pitched right arm ball before him by
the strikeout route. He and Dr. Harry
Wardell were the Varsity battery, and
Sam who have pitched over 20 years ago
when Varsity won by a nice rally in the
ninth. Joe Wright alternated in the box
with Schultz and finished the game on
the firing line that day. Dr. Bennett was

STOCKS SURRENDER
PART OF ADVANCES

Russian Situation Militates
Against Bullish Initiative
at New York.

New York, Aug. 27.—Part of last
week's late rally in the stock market
was surrendered today, the bears again
asserting an aggressive position on the
continued uncertainty attending govern-
ment price controls.

The Russian situation also militated
against bullish initiative, rubles falling
to 20% the lowest quotation in the
market, with irregularity in remittances to
other of the allied countries.

General firmness marked the early
dealings, but prices fell back on the ex-
haustion of short covering. Conflicting
reports concerning Bethlehem Steel's
financial plan started a setback in in-
dustrials of one to three points. U. S.
Steel reacted from 125 to 120%, closing
at 120%, a net loss of 5% of a point.
